

AmAsia Pacific REITs - Class B (MYR)

April 2018

AmAsia Pacific REITs (the "Fund") aims to provide regular income* and to a lesser extent capital appreciation over the medium to long-term by investing in real estate investment trusts (REITs).

The Fund is suitable for investors seeking:

- investment exposure through a diversified portfolio of REITs in the Asia Pacific Region. Portfolio diversification is obtained by investing in REITs of various sub-sectors (for example, residential, commercial, industrial within the REITs sector) listed in various countries; and
- potential regular income* and, to a lesser extent capital appreciation over the medium to long term**.

Note:*The income could be in the form of units or cash.

**Medium to long term refers to a period of at least three (3) years.

Investment Strategy

- To achieve the investment objective, 70% to 98% of the Fund's NAV will be invested in REITs listed in the Asia Pacific region. In addition to country diversification, the Fund will also diversify into different REITs sectors such as residential, commercial and industrial. The Fund will hold between 2% to 30% of its NAV in liquid assets.

Based on the Fund's portfolio returns as at 28 February 2018, the Volatility Factor ("VF") for this Fund is 7.1 and is classified as "Moderate" (Source: Lipper). "Moderate" includes funds with VF that are higher than 6.045 and lower than 7.975 (Source: Lipper). The VF means there is a possibility for the Fund in generating an upside return or downside return around this VF. The Volatility Class ("VC") is assigned by Lipper based on quintile ranks of VF for qualified funds. VF is subject to monthly revision and VC will be revised every six months. The Fund's portfolio may have changed since this date and there is no guarantee that the Fund will continue to have the same VF or VC in the future. Presently, only funds launched in the market for at least 36 months will display the VF and its VC.

The information contained in this material is general information only and does not take into account your individual objectives, financial situations or needs. You should seek your own financial advice from an appropriately licensed adviser before investing. You should be aware that investments in a unit trust fund carry risks. An outline of some of the risks is contained in the Master Prospectus dated 10 September 2017 & 1st Supplemental Master Prospectus dated 4 January 2018 (collectively referred as the "Prospectus"). The specific risks associated with investment of the Fund are currency risk, income distribution risk, risk associated with investment in REITs and sectoral risk as contained in the Prospectus. Unit prices and income distribution, if any, may rise or fall. Past performance of a Fund is not indicative of future performance. Please consider the fees and charges involved before investing. Units will be issued upon receipt of completed application form accompanying the Prospectus and subject to terms and conditions therein.

Where a distribution is declared, you are advised that following the distribution, the Net Asset Value ("NAV") per unit will be reduced from cum-distribution NAV to ex-distribution NAV. Where a unit split is declared, you are advised that following the issue of additional units, the NAV per unit will be reduced from pre-unit split NAV to post-unit split NAV. Kindly take note that the value of your investment in Malaysian ringgit will remain unchanged after the distribution of the additional units.
