

PMB DANA BESTARI

INVESTMENT OBJECTIVE

The objective of the Fund is to provide investors with steady return and to achieve capital growth in the medium to long term by investing in equities and fixed income securities that conform to the Shariah principles.

INVESTOR PROFILE

The Fund is suitable for investors who have a moderate risk tolerance level and seeking steady return and capital growth in the medium to long term by investing in Shariah-compliant equities and Islamic fixed income that conforms to Shariah principles.

INVESTMENT STRATEGY

The Fund shall invest primarily in a diversified portfolio of Shariah-compliant equities and Shariah-compliant equity-related securities listed on any recognised stock exchange in Malaysia. The portfolio construction process will be research-driven with extensive bottom-up fundamental analysis coupled with top down economic and sector analysis. In identifying investable Shariah-compliant equities, the designated fund manager will rely on fundamental research, taking into consideration the companies' financial strengths (including track records), prospects, business operations and governance. In addition, prospects for the economies and sectors in which the companies operate will also be assessed.
