FUND OVERVIEW

This Fund aims to provide investment results that closely correspond to the performance of the Kuala Lumpur Composite Index (KLCI) or such other index as may be replaced by Bursa Malaysia Securities Berhad.

Note: Effective 6 July 2009, Bursa Malaysia Securities Berhad replaced the KLCI with the FBM KLCI.

The Fund's asset allocation is as follows:

- 90% to 99.5% of Net Asset Value (NAV): Investments in the FBM KLCI component stocks;
- 0% to 10% of NAV: Participation in financial derivatives;
- 0.5% to 10% of NAV: Investments in liquid assets including money market instruments and deposits with financial institutions.

The Fund is suitable for investors who:

- Sseek equity market returns as measured by the benchmark FBM KLCI;
- prefer passive investment management; and
- are willing to accept high risk in their investments in order to obtain capital growth over a short to medium term period.

DISCLAIMER

Based on the fund's portfolio returns as at 10 April 2025, the Volatility Factor (VF) for this fund is 9.9 and is classified as "Moderate" (source: Lipper). "Moderate" includes funds with VF that are above 9.2 but not more than 12.1 (source: Lipper). The VF means there is a possibility for the fund in generating an upside return or downside return around this VF. The Volatility Class (VC) is assigned by Lipper based on quintile ranks of VF for qualified funds. VF is subject to monthly revision. The fund's portfolio may have changed since this date and there is no guarantee that the fund will continue to have the same VF or VC in the future. Presently, only funds launched in the market for at least 36 months will display the VF and its VC.

A Product Highlights Sheet ("PHS") highlighting the key features and risks of the Fund is available and investors have the right to request for a PHS. Investors are advised to obtain, read and understand the contents of the PHS and Master Prospectus dated 3 August 2017 and its supplementary(ies) (if any) ("collectively known as the Master Prospectus") before investing. The Master Prospectus has been registered with the Securities Commission Malaysia ("SC") who takes no responsibility for its contents. The SC's approval or authorization, or the registration of the Master Prospectus should not be taken to indicate that the SC has recommended or endorsed the fund. Amongst others, investors should consider the fees and charges involved. Investors should also note that the price of units and distributions payable, if any, may go down as well as up. Where a distribution is declared, investors are advised that following the issue of additional units/distribution, the NAV per unit will be reduced from cum-distribution NAV to ex-distribution NAV. Any issue of units to which the Master Prospectus relates will only be made on receipt of a form of application referred to in the Master Prospectus. For more details, please call 1-800-88-3175 for a copy of the PHS and the Master Prospectus or collect one from any of our branches or authorised distributors. Investors are advised that investments are subject to investment risk and that there can be no guarantee that any investment objectives will be achieved. Investors should conduct their own assessment before investing and seek professional advice, where necessary and should not make an investment decision solely based on this Fund Factsheet.

The Manager wishes to highlight the specific risks of the Fund are market risk and particular securities risk. These risks and other general risks are elaborated in the Master Prospectus.
