A copy of the Master Prospectus dated 22 March 2023 including its supplementaries (if any) (collectively known as "Master Prospectus") has been registered with the Securities Commission Malaysia who takes no responsibility for its contents. This material has not been reviewed by the Securities Commission Malaysia. Investors are advised to read and understand the contents of the Master Prospectus, copies of which are available from our offices, authorised consultants and distributors before investing. Investors should rely on their own evaluation to assess the merits and risks of the investment. If investors are unable to make their own evaluation, they are advised to consult professional advisers where necessary. Product Highlights Sheet ("PHS") is available and that investors have the right to request for a PHS, and the PHS and any other product disclosure document should be read and understood before making any investment decision. The price of units and distributions payable, if any, may go down as well as up. Investors should also compare and consider the fees, charges and costs involved and the risks when investing in the Fund such as market risk, currency risk and country risk before investing. Where past performance is quoted, past performance of the Fund is no indication of its future performance. Units are issued upon receipt of a duly completed application form referred to in and accompanying the Master Prospectus. In general, where unit split/distribution declared, investors are advised that following issue of additional units/distribution, the NAV per unit will be reduced from pre unit split NAV/cum distribution to post unit split NAV/ex-distribution NAV. Investors are also advised that, where a unit split is declared, the value of their investment in Fund/Class currency will remain unchanged after the distribution of the additional units.
