registered or authorised or approved by the relevant regulatory authority in its home jurisdiction as the case may be and which operates within the general investment principles of the Guidelines. The Fund's investments in Islamic collective investment schemes (if any) shall always be made subject to the restrictions stipulated in section 1.3 (f), (g), (m) and (q).

3. The information on "Islamic Financial Derivatives" in Section 1.2.6 on page 7 of the Prospectus and Section 1 on page 1 of the Second Supplementary Prospectus is hereby deleted in its entirety and replaced with the following:

1.2.6 Islamic Financial Derivatives

The External Investment Manager may participate in Islamic financial derivatives such as Islamic currency forwards, Islamic swaps or any other categories of financial derivatives which are structured in Shariah-compliant manner, permitted by the relevant authorities from time to time for hedging purposes, when appropriate. Such participation in Islamic financial derivatives shall commence only if the structure of the Islamic financial derivatives as well as the underlying financial instruments complies with Shariah requirements. The Fund's participation in Islamic financial derivatives is to hedge the portfolio from any unexpected price movement in the underlying market and also the portfolio's exposure to foreign currency volatility. Hence, the benefit of any upside of price in the underlying market or currency movements is limited. The purpose of hedging is to protect the value of the portfolio. When participating in such Islamic financial derivatives, the Manager will monitor the Islamic financial derivatives' valuation and credit ratings of the financial institutions as counterparty to such Islamic financial derivatives, where applicable and take appropriate actions to mitigate any risk associated with such Islamic financial derivatives. This may extend to unwinding of the Islamic financial derivatives if there is a need to terminate the current position due to reversal in market movement, redemptions in Units or upon downgrade of the credit ratings of the financial institutions. Commitment approach is used to calculate the Fund's net market exposure. It is calculated as the sum of the (a) absolute value of the exposure of each individual Islamic financial derivative not involved in netting or hedging arrangements; (b) absolute value of the net exposure of each individual Islamic financial derivative after netting or hedging arrangements; and (c) the values of cash collateral received pursuant to the reduction of exposure to counterparties of over-the-counter ("OTC") Islamic financial derivatives. The Fund's holding in Islamic financial derivatives (if any) shall always be subject to the restrictions stipulated in section 1.3 (e), (n), (o) and (p).

4. The information on "Permitted Investments and Restrictions" in Section 1.3 on pages 8 to 9 of the Prospectus is hereby deleted in its entirety and replaced with the following:

1.3 Permitted Investments and Restrictions

In determining the single issuer limit, the value of the Fund's investments in instruments in paragraph (a) issued by the same issuer must be included in the calculation.

INVESTORS ARE ADVISED TO READ AND UNDERSTAND THE CONTENTS OF THIS FIFTH SUPPLEMENTARY PROSPECTUS DATED 10 JULY 2023 WHICH IS TO BE READ TOGETHER WITH THE PROSPECTUS DATED 28 MAY 2017, THE SUPPLEMENTARY PROSPECTUS DATED 25 MARCH 2019, THE SECOND SUPPLEMENTARY PROSPECTUS DATED 5 JULY 2019, THE THIRD SUPPLEMENTARY PROSPECTUS DATED 29 OCTOBER 2019 AND THE FOURTH SUPPLEMENTARY PROSPECTUS DATED 23 MARCH 2020.

- (h) The value of the Fund's investments in Shariah-compliant transferable securities and Islamic money market instruments issued by any group of companies must not exceed twenty (20) per cent of the Fund's Net Asset Value ("group limit"), or any other limit as may be prescribed by the Securities Commission from time to time. In determining the group limit, the value of the Fund's investments in instruments in paragraph (a) issued by the issuers within the same group of companies must be included in the calculation.
- (i) The single issuer limit in paragraph (c) may be raised to thirty-five (35) per cent of the Fund's Net Asset Value if the issuing entity is, or the issue is guaranteed by, either a foreign government, foreign government agency, foreign central bank or supranational, that has a minimum long-term credit rating of investment grade (including gradation and subcategories) by an international rating agency, or any other limit as may be prescribed by the Securities Commission from time to time. Where the single issuer limit is increased to thirty-five (35) per cent of the Fund's Net Asset Value, the single issuer aggregate limit in paragraph (e) may be raised, subject to the group limit in paragraph (h) not exceeding thirty-five (35) per cent of the Fund's Net Asset Value, or any other limit as may be prescribed by the Securities Commission from time to time.
- (j) The single financial institution limit in paragraph (d) does not apply to placements of Islamic deposits arising from:

 - ii. liquidation of investments prior to the termination of the Fund, where the placement of Islamic deposits with various financial institutions would not be in the best interests of Unit Holders; or

This limit does not apply to Islamic money market instruments that do not have a pre-determined issue size.

INVESTORS ARE ADVISED TO READ AND UNDERSTAND THE CONTENTS OF THIS FIFTH SUPPLEMENTARY PROSPECTUS DATED 10 JULY 2023 WHICH IS TO BE READ TOGETHER WITH THE PROSPECTUS DATED 28 MAY 2017, THE SUPPLEMENTARY PROSPECTUS DATED 25 MARCH 2019, THE SECOND SUPPLEMENTARY PROSPECTUS DATED 5 JULY 2019, THE THIRD SUPPLEMENTARY PROSPECTUS DATED 29 OCTOBER 2019 AND THE FOURTH SUPPLEMENTARY PROSPECTUS DATED 23 MARCH 2020.

- (m) The Fund's investments in Islamic collective investment scheme must not exceed twenty-five (25) per cent of the units or shares in the Islamic collective investment scheme, or any other limit as may be prescribed by the Securities Commission from time to time.
- (n) The counterparty of an OTC Islamic financial derivative must be a financial institution with a minimum long-term credit rating of investment grade (including gradation and subcategories). Subject to the aggregate limit as stipulated in the Guidelines, the maximum exposure of the Fund to the counterparty must not exceed ten (10) per cent of the Fund's Net Asset Value, or any other limit as may be prescribed by the Securities Commission from time to time based on the maximum potential loss that may be incurred by the Fund if the counterparty defaults and not on the basis of the notional value of the OTC Islamic financial derivative. - The Fund may hold a reasonable level of Islamic liquid assets to meet the Unit Holders' redemption requests.
- There will be regular review by the designated fund manager on the Fund's investment portfolio.
- The Manager will monitor on a daily basis the Fund's net flows against repurchase requests during normal and adverse market conditions as a pre-emptive measure to track the Fund's liquidity position.
- The Fund may obtain Islamic financing facility on a temporary basis from financial institutions as permitted under the Guidelines to meet the Unit Holders' redemption requests.

E. AMENDMENTS TO THE VALUATION OF ASSETS

The information on "Valuation of Assets" in Section 3 on pages 14 to 16 of the Prospectus and Section 6 on page 7 of the Supplementary Prospectus is hereby deleted in its entirety and replaced with the following:

3. VALUATION OF ASSETS

The assets of the Fund must be valued at least once every Business Day. As the Fund invests in foreign markets, which may have different time zones from that of Malaysia, the valuation of the Fund for a Business Day will be conducted by 5:00 p.m. (or such other time as may be determined by the Manager from time to time) on the following day on which the Manager is open for business.

Accordingly, the price of the Fund for a particular Business Day will not be published online on the Manager's website on the next day but will instead be published the next following day (i.e. price will be two (2) days old). This will be specifically indicated on the Manager's website.

Illustration

When markets are closed for trading on 18 April 2023 (Tuesday), the valuation date will be the next day on which the Manager is open for business, i.e. 19 April 2023 (Wednesday). Thus, the publication date for the price as at 18 April 2023 (Tuesday) will be on 20 April 2023 (Thursday) on the Manager's website.

Investors may obtain the most current computed price by contacting the Manager directly or visiting the Manager's website, **www.rhbgroup.com** [please refer to section 5.6 (g) (Availability of Information on Investment)].

INVESTORS ARE ADVISED TO READ AND UNDERSTAND THE CONTENTS OF THIS FIFTH SUPPLEMENTARY PROSPECTUS DATED 10 JULY 2023 WHICH IS TO BE READ TOGETHER WITH THE PROSPECTUS DATED 28 MAY 2017, THE SUPPLEMENTARY PROSPECTUS DATED 25 MARCH 2019, THE SECOND SUPPLEMENTARY PROSPECTUS DATED 5 JULY 2019, THE THIRD SUPPLEMENTARY PROSPECTUS DATED 29 OCTOBER 2019 AND THE FOURTH SUPPLEMENTARY PROSPECTUS DATED 23 MARCH 2020.

In undertaking any of the Fund's investments, the Manager will ensure that all the assets of the Fund will be valued at fair value and at all times in compliance with the relevant laws (including approved accounting standards).

Accordingly, where applicable:

- (i) Listed Shariah-compliant securities will be valued daily based on the last done market price or such other basis as may be prescribed by the relevant laws from time to time including approved accounting standards.

However, if: -

- (a) a valuation based on the market price does not represent the fair value of the Shariah-compliant securities, for example during abnormal market conditions; or
- (b) no market price is available, including in the event of a suspension in the quotation of Shariah-compliant securities for a period exceeding fourteen (14) days, or such shorter period as agreed by the Trustee,

then the Shariah-compliant securities would be valued at fair value, as determined in good faith by the Manager based on the methods or bases approved by the Trustee after appropriate technical consultation.

- (ii) Investments in unlisted Shariah-compliant securities will be valued at fair value as determined in good faith by the Manager based on the methods or bases which have been verified by the auditor of the Fund and approved by the Trustee.
- (iii) Islamic collective investment schemes which are quoted on an approved exchange shall be valued daily based on the last done market price. When investing in unlisted Islamic collective investment schemes, the value shall be determined by reference to the last published repurchase price of a unit of that unlisted Islamic collective investment scheme.
- (iv) Exchange traded Islamic financial derivatives positions will be "marked to market" at the close of each trading day.
- (v) Islamic deposits placed with financial institutions will be valued each day by reference to the principal value of such investments and the profits accrued thereon for the relevant period.
- (vi) Islamic money market instruments that are held for collecting contractual cash flow purpose i.e. Islamic money market placements which have a remaining term to maturity of not more than 90 days at the time of acquisition will be measured on an ongoing basis at amortised cost. The risk of using amortised cost accounting is the mismatch between the fair value and book value of an Islamic money market instrument. The Manager will monitor closely and consider prompt action to discontinue the use of amortised cost method and adopt the fair value, i.e., the discounted net present value, as the valuation for Islamic money market instrument in the event the variance is above 3%.

INVESTORS ARE ADVISED TO READ AND UNDERSTAND THE CONTENTS OF THIS FIFTH SUPPLEMENTARY PROSPECTUS DATED 10 JULY 2023 WHICH IS TO BE READ TOGETHER WITH THE PROSPECTUS DATED 28 MAY 2017, THE SUPPLEMENTARY PROSPECTUS DATED 25 MARCH 2019, THE SECOND SUPPLEMENTARY PROSPECTUS DATED 5 JULY 2019, THE THIRD SUPPLEMENTARY PROSPECTUS DATED 29 OCTOBER 2019 AND THE FOURTH SUPPLEMENTARY PROSPECTUS DATED 23 MARCH 2020.

Islamic money market instruments other than the aforesaid will be valued on a daily basis by reference to the fair value prices quoted by a BPA registered with the Securities Commission.

- (vii) Foreign exchange translation of foreign investments for a particular Business Day is determined based on bid rate quoted by Bloomberg or Reuters at 4:00 p.m. (United Kingdom time) or such other time as may be prescribed from time to time by the relevant governing body or authority.
- (viii) Any other Shariah-compliant investments as may be held by the Fund will be valued based on fair value as determined in good faith by the Manager, on methods or bases which have been verified by the auditor of the Fund and approved by the Trustee.

Dear Sirs

Re: Taxation of the Funds and Unit Holders

This letter has been prepared for inclusion in this Fifth Supplementary Prospectus in respect of RHB Islamic Global Developed Markets Fund (“the Fund”).

INVESTORS ARE ADVISED TO READ AND UNDERSTAND THE CONTENTS OF THIS FIFTH SUPPLEMENTARY PROSPECTUS DATED 10 JULY 2023 WHICH IS TO BE READ TOGETHER WITH THE PROSPECTUS DATED 28 MAY 2017, THE SUPPLEMENTARY PROSPECTUS DATED 25 MARCH 2019, THE SECOND SUPPLEMENTARY PROSPECTUS DATED 5 JULY 2019, THE THIRD SUPPLEMENTARY PROSPECTUS DATED 29 OCTOBER 2019 AND THE FOURTH SUPPLEMENTARY PROSPECTUS DATED 23 MARCH 2020.

Taxation of the Fund

Income Tax

The Fund is a unit trust for Malaysian tax purposes. The taxation of the Fund is therefore governed principally by Sections 61 and 63B of the Income Tax Act, 1967 (“the Act”).

Any reference to interest in the Act shall apply, mutatis mutandis, to gains or profits received and expenses incurred, in lieu of interest, in transactions conducted in accordance with the principles of Shariah. The effect of this is that any gains or profits received and expenses incurred, in lieu of interest, in transactions conducted in accordance with the principles of Shariah, will be accorded the same tax treatment as if they were interest.

Subject to certain exemptions, the income of the Fund in respect of investment income derived from or accruing in Malaysia is liable to income tax at the rate of 24% effective Year of Assessment (“YA”) 2016.

The Fund may receive dividends, interest and other income from investments outside Malaysia. Income derived from sources outside Malaysia and received in Malaysia was previously exempt from Malaysian income tax. However, such income may be subject to tax in the country from which it is derived.

Based on the Finance Act 2021, income derived by a resident unit trust from foreign sources and received in Malaysia from 1 January 2022 onwards will be subject to Malaysian income tax. A transitional tax rate of 3% is accorded on the gross amount of the foreign income received in Malaysia from 1 January 2022 to 30 June 2022. From 1 July 2022, the prevailing tax rate of 24% will apply to the chargeable income computed in respect of the foreign source income remitted into Malaysia by the Fund.

Where the same foreign income has been taxed in both Malaysia and the foreign country, a tax credit in the form of bilateral relief under a Double Tax Agreement (“DTA”) or unilateral relief under the domestic law (if there is no available DTA or a limited DTA which does not provide such relief) may be given in respect of such income, subject to conditions.

Gains from the realisation of investments by the Fund will not be subject to income tax in Malaysia. However, such gains may be subject to tax in the country from which it is derived.

Interest income or profits earned by the Fund from the following are exempt from tax:-

- any savings certificates issued by the Government; or
- securities or bonds issued or guaranteed by the Government; or
- debentures or sukuk, other than convertible loan stock, approved or authorized by, or lodged with, the Securities Commission; or
- Bon Simpanan Malaysia issued by the Central Bank of Malaysia; or

INVESTORS ARE ADVISED TO READ AND UNDERSTAND THE CONTENTS OF THIS FIFTH SUPPLEMENTARY PROSPECTUS DATED 10 JULY 2023 WHICH IS TO BE READ TOGETHER WITH THE PROSPECTUS DATED 28 MAY 2017, THE SUPPLEMENTARY PROSPECTUS DATED 25 MARCH 2019, THE SECOND SUPPLEMENTARY PROSPECTUS DATED 5 JULY 2019, THE THIRD SUPPLEMENTARY PROSPECTUS DATED 29 OCTOBER 2019 AND THE FOURTH SUPPLEMENTARY PROSPECTUS DATED 23 MARCH 2020.

- a bank or financial institution licensed under the Financial Services Act 2013 or Islamic Financial Services Act 2013^{N1}; or
- any development financial institution regulated under the Development Financial Institutions Act 2002^{N1}; or
- sukuk originating from Malaysia, other than convertible loan stocks, issued in any currency other than Ringgit and approved or authorized by, or lodged with, the Securities Commission, or approved by the Labuan Financial Services Authority^{N2}.

Discounts earned by the Fund from the following are also exempt from tax: -

- securities or bonds issued or guaranteed by the Government; or
- debentures or sukuk, other than convertible loan stock, approved or authorized by, or lodged with, the Securities Commission; or
- Bon Simpanan Malaysia issued by the Central Bank of Malaysia.

Tax deductions in respect of the Fund's expenses such as manager's remuneration, expenses on maintenance of register of unit holders, share registration expenses, secretarial, audit and accounting fees, telephone charges, printing and stationery costs and postage ("permitted expenses") are allowed based on a prescribed formula subject to a minimum of 10% and a maximum of 25% of the total permitted expenses.

Single tier Malaysian dividends received by the Fund are exempt from tax and expenses in relation to such dividend income are disregarded.

Real Property Gains Tax ("RPGT")

Gains on disposal of investments by the Fund will not be subject to income tax in Malaysia. However, such gains may be subject to RPGT in Malaysia, if the gains are derived from sale of Malaysian real properties and shares in Malaysian real property companies (as defined). Such gains would be subject to RPGT at the applicable rate depending on the holding period of the chargeable assets.

Sales Tax and Service Tax

The Goods and Services Tax ("GST") has been replaced by Sales Tax and Service Tax effective from 1 September 2018.

Under the Sales Tax Act 2018, Service Tax Act 2018 and subsidiary legislation, the sales tax rate for taxable goods is 5% or 10% while the service tax rate for taxable services is generally 6%. There are certain goods which are exempted from sales tax.

^{N1} Effective from 1 January 2019, the exemption shall not apply to the interest paid or credited to a unit trust that is a wholesale fund which is a money market fund.

^{N2} Effective from YA 2017, income tax exemption shall not apply to interest paid or credited to a company in the same group, licensed banks and prescribed development financial institutions. Based on the Finance Act 2021, income tax exemption shall also not apply to interest paid or credited by a special purpose vehicle to a company pursuant to the issuance of asset-backed securities lodged with the Securities Commission or approved by the Labuan Financial Services Authority from 1 January 2022 where the company and the person who established the special purpose vehicle solely for the issuance of the asset-backed securities are in the same group.

INVESTORS ARE ADVISED TO READ AND UNDERSTAND THE CONTENTS OF THIS FIFTH SUPPLEMENTARY PROSPECTUS DATED 10 JULY 2023 WHICH IS TO BE READ TOGETHER WITH THE PROSPECTUS DATED 28 MAY 2017, THE SUPPLEMENTARY PROSPECTUS DATED 25 MARCH 2019, THE SECOND SUPPLEMENTARY PROSPECTUS DATED 5 JULY 2019, THE THIRD SUPPLEMENTARY PROSPECTUS DATED 29 OCTOBER 2019 AND THE FOURTH SUPPLEMENTARY PROSPECTUS DATED 23 MARCH 2020.

The issue, holding or redemption of any unit under a trust fund does not fall within the list of taxable services under the First Schedule of the Service Tax Regulations 2018 and hence, is not subject to service tax. The investment activities of the Fund such as buying and selling of securities and deposits in financial institutions are also not subject to service tax. As such, if the Fund is only deriving income from such activities, the Fund is not liable to be registered for service tax.

However, certain expenses incurred by the Fund such as legal fees, consultancy fees and management fees may be subject to service tax at 6%. For management fees, this specifically excludes fees charged by any person who is licensed or registered with the Securities Commission for carrying out the regulated activity of fund management under the Capital Markets and Services Act 2007. The service tax incurred by the Fund is a cost to the Fund and is not recoverable, unlike the GST input tax which is claimable under the GST regime.

Based on the Finance Act 2018, the imposition and scope of service tax has been widened to include any imported taxable service. This is effective from 1 January 2019.

Taxation of Unit Holders

Income Tax

Unit holders are taxed on an amount equivalent to their share of the total taxable income of the Fund, to the extent that this is distributed to them. The income distribution from the Fund may carry with it applicable tax credits proportionate to each unit holder's share of the total taxable income in respect of the tax paid by the Fund. Unit holders will be entitled to utilise the tax credit as a set off against the tax payable by them. Any excess over their tax liability will be refunded to the unit holders.

Corporate unit holders, resident or non-resident in Malaysia, would be taxed at the corporate tax rate of 24% (effective from YA 2016), on distributions of income from the Fund to the extent of an amount equivalent to their share of the total taxable income of the Fund. Corporate unit holders in Malaysia with paid-up capital in the form of ordinary shares of RM2.5 million and below will be subject to a tax rate of 17% on chargeable income of up to RM600,000, effective from YA 2020. This concessionary income tax rate is given only to corporate unit holders having gross business income for the relevant year of assessment of not more than RM50 million, in addition to the share capital requirement. For chargeable income in excess of RM600,000, the tax rate of 24% is still applicable.

However, the said tax rate of 17% on chargeable income of up to RM600,000 would not apply if more than 50% of the paid up capital in respect of ordinary shares of that corporate unit holder is directly or indirectly owned by a related company which has a paid up capital exceeding RM2.5 million in respect of ordinary shares, or vice versa, or more than 50% of the paid up capital in respect of ordinary shares of both companies are directly or indirectly owned by another company.

It is proposed in the Budget 2023 that the tax rate of 17% will be reduced to 15% for the chargeable income of up to RM150,000, while the tax rate for the chargeable income from RM150,001 up to RM600,000 will remain unchanged at 17%. For chargeable income in excess of RM600,000, the tax rate of 24% will apply. The proposed changes will come into effect from YA 2023 and may be subject to further conditions.

INVESTORS ARE ADVISED TO READ AND UNDERSTAND THE CONTENTS OF THIS FIFTH SUPPLEMENTARY PROSPECTUS DATED 10 JULY 2023 WHICH IS TO BE READ TOGETHER WITH THE PROSPECTUS DATED 28 MAY 2017, THE SUPPLEMENTARY PROSPECTUS DATED 25 MARCH 2019, THE SECOND SUPPLEMENTARY PROSPECTUS DATED 5 JULY 2019, THE THIRD SUPPLEMENTARY PROSPECTUS DATED 29 OCTOBER 2019 AND THE FOURTH SUPPLEMENTARY PROSPECTUS DATED 23 MARCH 2020.

Based on the Finance Act 2021, a corporate tax rate of 33% (“Cukai Makmur”) will be levied on corporate unit holders with chargeable income exceeding RM100 million. Corporate unit holders with chargeable income below RM100 million will still be taxed at tax rate of 24%. However, the chargeable income in respect of foreign source income received in Malaysia from 1 July 2022 is exempted from the application of Cukai Makmur, computed based on a prescribed formula. The Cukai Makmur is effective for YA 2022 only.

The tax rate of 33% on chargeable income exceeding RM100 million would not apply to corporate unit holders in Malaysia that qualify for the preferential tax rate of 17% on chargeable income of up to RM600,000.

Individuals and other non-corporate unit holders who are resident in Malaysia will be subject to income tax at scale rates. The scale tax rates range from 0% to 30% with effect from YA 2020.

Individuals and other non-corporate unit holders who are not resident in Malaysia, for tax purposes, are subject to Malaysian income tax at the rate of 30% with effect from YA 2020. Non-resident unit holders may also be subject to tax in their respective jurisdictions and depending on the provisions of the relevant tax legislation and any double tax treaties with Malaysia, the Malaysian tax suffered may be creditable in the foreign tax jurisdiction.

The distribution of single-tier Malaysian dividends and tax exempt income by the Fund will not be subject to tax in the hands of the unit holders in Malaysia. Units split by the Fund will also be exempt from tax in Malaysia in the hands of the unit holders.

However, based on the Finance Act 2021, the income distributed to a unit holder other than an individual, out of the interest income exempt from tax of a unit trust that is a retail money market fund which is paid or credited by a bank or financial institution licensed under the Financial Services Act 2013 or Islamic Financial Services Act 2013, or any development financial institution regulated under the Development Financial Institutions Act 2002 will be subjected to tax. This is effective from 1 January 2022.

Further, a new withholding tax mechanism is applicable on the above distribution. The income distributed to the unit holder other than an individual will be subject to withholding tax at the rate of 24% and the tax deducted can be utilised to set off against the tax payable by a tax resident unit holder. Withholding tax deducted on the income distributed to a non-individual unit holder who is not a tax resident in Malaysia will be regarded as a final tax. This is effective from 1 January 2022.

Any gains realised by the unit holders (other than financial institutions, insurance companies and those dealing in securities) from the transfer or redemption of the units are generally treated as capital gains which are not subject to income tax in Malaysia. However, certain unit holders may be subject to income tax in Malaysia on such gains, due to specific circumstances of the unit holders.

Service Tax

Only taxable services listed in the First Schedule of the Service Tax Regulations 2018 are subject to service tax, which exclude investment income or gains.

INVESTORS ARE ADVISED TO READ AND UNDERSTAND THE CONTENTS OF THIS FIFTH SUPPLEMENTARY PROSPECTUS DATED 10 JULY 2023 WHICH IS TO BE READ TOGETHER WITH THE PROSPECTUS DATED 28 MAY 2017, THE SUPPLEMENTARY PROSPECTUS DATED 25 MARCH 2019, THE SECOND SUPPLEMENTARY PROSPECTUS DATED 5 JULY 2019, THE THIRD SUPPLEMENTARY PROSPECTUS DATED 29 OCTOBER 2019 AND THE FOURTH SUPPLEMENTARY PROSPECTUS DATED 23 MARCH 2020.

However, certain expenses such as legal fees, consultancy fees and management fees may be subject to service tax at 6%. For management fees, this specifically excludes fees charged by any person who is licensed or registered with the Securities Commission for carrying out the regulated activity of fund management under the Capital Markets and Services Act 2007.

Based on the Finance Act 2018, the imposition and scope of service tax has been widened to include any imported taxable service. This is effective from 1 January 2019.

The tax position is based on our understanding and interpretation of the Malaysian tax legislations and proposals as they stand at present. All prospective investors should not treat the contents of this letter as advice relating to taxation matters and are advised to consult their own professional advisers concerning their respective investments.

Yours faithfully

Ong Guan Heng
Executive Director

The HIRE Act also contained legislation requiring U.S. persons to report, depending on the value, their foreign financial accounts and foreign assets.
- RHBAM MY and its related companies and affiliates are subject to and required to, or have agreed to comply with FATCA ("FATCA Reporting Requirement"). In view of this, RHBAM MY is required to collect information about each of its customers under the FATCA Reporting Requirement. It sets out the financial account information to be exchanged, the financial institutions required to report, the different types of accounts and taxpayers covered, as well as common due diligence procedures to be followed by financial institutions.
- RHBAM MY and its related companies and affiliates are required to comply with the CRS Rules ("CRS Reporting Requirement") In view of this RHBAM MY is required to collect information about your tax residence(s) under applicable tax regulations. If you are not a tax resident of Malaysia, we may need to give the IRBM your account information, which may then be shared with other tax authorities of the CRS Participating countries.
- Each jurisdiction has its own rules for defining tax residences, and jurisdiction have provided information on how to determine if you are resident in a jurisdiction on the following website: - <http://www.oecd.org/tax/automatic-exchange/crs-implementation-and-assistance/tax-residency/>
- RHBAM MY are not allowed to give tax advice. Please consult your tax adviser if you require assistance in determining your tax residence(s).

- "Reportable Jurisdiction" is a jurisdiction with which an obligation to provide financial account information is in place.
- "Tax Resident" refers to the definition of tax residence by each participating jurisdiction as provided on [<https://www.oecd.org/tax/automatic-exchange/crs-implementation-and-assistance/tax-residency/#id.en.347760>]. In general, you will find that tax residence is the country/jurisdiction in which you live. Special circumstances may cause you to be resident elsewhere or resident in more than one country/jurisdiction at the same time (dual residency).
- For more information on tax residence, please consult your tax adviser or the information at the OECD automatic exchange of information portal mentioned above.
- "TIN" (including "functional equivalent") means Taxpayer Identification Number or a functional equivalent in the absence of a TIN. Further details of acceptable TINs can be found at the following link [<https://www.oecd.org/tax/automatic-exchange/crs-implementation-and-assistance/tax-identification-numbers>]. Some jurisdictions do not issue a TIN. However, these jurisdictions often utilize some other high integrity number with an equivalent level of identification (a "functional equivalent"). Examples of that type of number include, for Entities, a Business/company registration code/number.

- 11.0 UT LOAN FINANCING RISK DISCLOSURE STATEMENT
- Investing in a unit trust fund with borrowed money is more risky than investing with your own savings. You should assess if loan financing is suitable for you in light of your objectives, attitude to risk and financing circumstances. You should be aware of the risk, which would include the following:-
- a. The higher the margin of financing (that is, the amount of money you borrow for every Ringgit of your own money that you put in as deposit or down payment) the greater the loss or gain on your investment.
 - b. You should assess whether you have the ability to service the repayments on the proposed loan. If your loan is a variable rate loan, and if interest rates rise, your total repayment amount will be increased.
 - c. If unit prices fall beyond a certain level, you may be asked to provide additional acceptable collateral (where units are used as collateral) or pay additional amounts on top of your normal instalments. If you fail to comply within the prescribed time, your units may be sold towards the settlement of your loan.
 - d. Returns on unit trusts are not guaranteed and may not be earned evenly over time. This means that there may be some years where returns are high and other years where losses are incurred instead. Whether you eventually realise a gain or incur loss may be affected by the timing of the sale of your units. The value of units may fall just when you want your money back even though the investment may have done well in the past.
 - e. This brief statement cannot disclose all the risks and other aspects of loan financing. You should therefore carefully study the T&C before you decide to take the loan. If you have doubts in respect of any aspect of this UT Loan Financing Risk Disclosure Statement or the terms of the loan financing, you should consult the institution offering the loan.

FOREIGN ACCOUNT TAX COMPLIANCE ACT ("FATCA") AND COMMON REPORTING STANDARD ("CRS")

"Foreign Account Tax Compliance Act (FATCA)" which was passed as part of the Hiring Incentives to Restore Employment (HIRE) Act, generally requires that foreign financial institutions and certain other non-financial foreign entities report on the foreign assets held by their U.S. account holders or be subject to withholding on withholdable payments. The HIRE Act also contained legislation requiring U.S. persons to report, depending on the value, their foreign financial accounts and foreign assets.

RHBAM MY and its related companies and affiliates are subject to and required to, or have agreed to comply with FATCA ("FATCA Reporting Requirement"). In view of this, RHBAM MY is required to collect information about each of its customers under the FATCA Reporting Requirement. If you are a U.S. Person, we may need to give the Inland Revenue Board of Malaysia ("IRBM") your account information, which may then be shared with the U.S. IRS.

"Common Reporting Standard (CRS)" means the Standard for Automatic Exchange of Financial Account Information ("AEOI") in Tax Matters and was developed in response to the G20 request and approved by the Organisation for Economic Co-operation and Development (OECD) Council on 15 July 2014, calls on jurisdictions to obtain information from their financial institutions and automatically exchange that information with other jurisdictions on an annual basis. It sets out the financial account information to be exchanged, the financial institutions required to report, the different types of accounts and taxpayers covered, as well as common due diligence procedures to be followed by financial institutions.

RHBAM MY and its related companies and affiliates are required to comply with the CRS Rules ("CRS Reporting Requirement") In view of this RHBAM MY is required to collect information about your tax residence(s) under applicable tax regulations. If you are not a tax resident of Malaysia, we may need to give the IRBM your account information, which may then be shared with other tax authorities of the CRS Participating countries.

Each jurisdiction has its own rules for defining tax residences, and jurisdiction have provided information on how to determine if you are resident in a jurisdiction on the following website: - <http://www.oecd.org/tax/automatic-exchange/crs-implementation-and-assistance/tax-residency/>

RHBAM MY are not allowed to give tax advice. Please consult your tax adviser if you require assistance in determining your tax residence(s).

"Participating Jurisdiction" means a jurisdiction with which an agreement is in place pursuant to which it will provide the information required on the automatic exchange of financial account information set out in the CRS.

"Reportable Jurisdiction" is a jurisdiction with which an obligation to provide financial account information is in place.

"Tax Resident" refers to the definition of tax residence by each participating jurisdiction as provided on <https://www.oecd.org/tax/automatic-exchange/crs-implementation-and-assistance/tax-residency/#id.en.347760>. In general, you will find that tax residence is the country/jurisdiction in which you live. Special circumstances may cause you to be resident elsewhere or resident in more than one country/jurisdiction at the same time (dual residency).

For more information on tax residence, please consult your tax adviser or the information at the OECD automatic exchange of information portal mentioned above.

- "TIN" (including "functional equivalent") means Taxpayer Identification Number or a functional equivalent in the absence of a TIN. A TIN is a unique combination of letters or numbers assigned by a jurisdiction to an individual or an Entity and used to identify the individual or Entity for the purposes of administering the tax laws of such jurisdiction. Further details of acceptable TINs can be found at the following link [https://www.oecd.org/tax/automatic-exchange/crs-implementation-and-assistance/tax-identification-numbers]. Some jurisdictions do not issue a TIN. However, these jurisdictions often utilize some other high integrity number with an equivalent level of identification (a "functional equivalent"). Examples of that type of number include, for Entities, a Business/company registration code/number.
- "US Person" refers to a US Person as defined in Section 7701 (a) (30) of the Internal Revenue Code and includes an individual who is a citizen or resident of the US.

- 11.0 UT LOAN FINANCING RISK DISCLOSURE STATEMENT
- Investing in a unit trust fund with borrowed money is more risky than investing with your own savings. You should assess if loan financing is suitable for you in light of your objectives, attitude to risk and financing circumstances. You should be aware of the risk, which would include the following:-
- a. The higher the margin of financing (that is, the amount of money you borrow for every Ringgit of your own money that you put in as deposit or down payment) the greater the loss or gain on your investment.
 - b. You should assess whether you have the ability to service the repayments on the proposed loan. If your loan is a variable rate loan, and if interest rates rise, your total repayment amount will be increased.
 - c. If unit prices fall beyond a certain level, you may be asked to provide additional acceptable collateral (where units are used as collateral) or pay additional amounts on top of your normal instalments. If you fail to comply within the prescribed time, your units may be sold towards the settlement of your loan.
 - d. Returns on unit trusts are not guaranteed and may not be earned evenly over time. This means that there may be some years where returns are high and other years where losses are incurred instead. Whether you eventually realise a gain or incur loss may be affected by the timing of the sale of your units. The value of units may fall just when you want your money back even though the investment may have done well in the past.
 - e. This brief statement cannot disclose all the risks and other aspects of loan financing. You should therefore carefully study the T&C before you decide to take the loan. If you have doubts in respect of any aspect of this UT Loan Financing Risk Disclosure Statement or the terms of the loan financing, you should consult the institution offering the loan.

DEFINITION AND INTERPRETATION

- **"Controlling Person"** are the natural person(s) who exercise control over an entity. Where that entity is treated as a Passive Non-Financial Entity ("Passive NFE") then a Financial Institution is required to determine whether or not these Controlling Persons are Reportable Persons. This definition corresponds to the term "beneficial owner" described in Recommendation 10 and the Interpretative Note on Recommendation 10 of the Financial Action Task Force Recommendations (as adopted in February 2012).

In the case of a trust, the Controlling Person(s) are the settlor(s), the trustee(s), the protector(s) (if any), the beneficiary(ies) or class(es) of beneficiaries, or any other natural person(s) exercising ultimate effective control over the trust (including through a chain of control or ownership). Under the CRS the settlor(s), the trustee(s), the protector(s) (if any), and the beneficiary(ies) or class(es) of beneficiaries, are always treated as Controlling Persons of a trust, regardless of whether or not any of them exercises control over the activities of the trust.

Where the settlor(s) of a trust is an Entity then the CRS requires Financial Institutions to also identify the Controlling Persons of the settlor(s) and when required report them as Controlling Persons of the trust.

In the case of a legal arrangement other than a trust, Controlling Person(s) means persons in equivalent or similar positions.
- **"Entity"** means a legal person or a legal arrangement, such as corporation, organisation, partnership, trust or foundation.
- **"Participating Jurisdiction"** means a jurisdiction with which an agreement is in place pursuant to which it will provide the information required on the automatic exchange of financial account information set out in the Common Reporting Standard.
- **"Reportable Jurisdiction"** is a jurisdiction with which an obligation to provide financial account information is in place.
- **"Tax Resident"** refers to the definition of tax residence by each participating jurisdiction as provided on <https://www.oecd.org/tax/automatic-exchange/crs-implementation-and-assistance/tax-residency/#id.en.347760>. In general, you will find that tax residence is the country/jurisdiction in which you live. Special circumstances may cause you to be resident elsewhere or resident in more than one country/jurisdiction at the same time (dual residency). For more information on tax residence, please consult your tax adviser or the information at the OECD automatic exchange of information portal mentioned above.
- **"TIN"** (including "functional equivalent") means Taxpayer Identification Number or a functional equivalent in the absence of a TIN. A TIN is a unique combination of letters or numbers assigned by a jurisdiction to an individual or an Entity and used to identify the individual or Entity for the purposes of administering the tax laws of such jurisdiction. Further details of acceptable TINs can be found at the following link <https://www.oecd.org/tax/automatic-exchange/crs-implementation-and-assistance/tax-identification-numbers>.

Some jurisdictions do not issue a TIN. However, these jurisdictions often utilize some other high integrity number with an equivalent level of identification (a "functional equivalent"). Examples of that type of number include, for Entities, a Business/company registration code/number.
- **"US Person"** refers to a US Person as defined in Section 7701 (a) (30) of the Internal Revenue Code and includes an individual who is a citizen or resident of the US.
- **"Hibah"** mean granting the possession of a person to another, in a voluntary manner without expecting a reciprocation.
- **"Wasi"** mean a nominee appointed to execute a will.
- **"Trustee"** refers to the Trustee of the Fund as stated in the Master Prospectus(es) / Prospectus(es) and its Supplementary(ies) (if any).

LOAN FINANCING RISK DISCLOSURE STATEMENT

Investing in a unit trust fund with borrowed money is more risky than investing with your own savings. You should assess if loan financing is suitable for you in light of your objectives, attitude to risk and financing circumstances. You should be aware of the risk, which would include the following:-

- The higher the margin of financing (that is, the amount of money you borrow for every Ringgit of your own money that you put in as deposit or down payment) the greater the loss or gain on your investment.
- You should assess whether you have the ability to service the repayments on the proposed loan. If your loan is a variable rate loan, and if interest rates rise, your total repayment amount will be increased.
- If unit prices fall beyond a certain level, you may be asked to provide additional acceptable collateral (where units are used as collateral) or pay additional amounts on top of your normal instalments. If you fail to comply within the prescribed time, your units may be sold towards the settlement of your loan.
- Returns on unit trusts are not guaranteed and may not be earned evenly over time. This means that there may be some years where returns are high and other years where losses are incurred instead. Whether you eventually realise a gain or incur loss may be affected by the timing of the sale of your units. The value of units may fall just when you want your money back even though the investment may have done well in the past.
- This brief statement cannot disclose all the risks and other aspects of loan financing. You should therefore carefully study the terms and conditions before you decide to take the loan. If you have doubts in respect of any aspect of this Risk Disclosure Statement or the terms of the loan financing, you should consult the institution offering the loan.

1.4 Shariah Methodology and Shariah Investment Guidelines

In addition to the investment approach stated above, the Fund’s investments in Shariah-compliant securities and Shariah-compliant instruments are also screened to ensure that they meet stipulated financial filters and are not involved in activities prohibited under Shariah.

In screening the investment activity of the Fund, the Shariah Adviser will ensure that at all times the investments of the Fund would be restricted to Shariah-compliant securities and instruments.

INVESTORS ARE ADVISED TO READ AND UNDERSTAND THE CONTENTS OF THIS SUPPLEMENTARY PROSPECTUS DATED 25 MARCH 2019 WHICH IS TO BE READ TOGETHER WITH THE PROSPECTUS DATED 28 MAY 2017.

For investments in listed securities on Bursa Malaysia, the Fund will only invest in securities listed on the SACSC's list of Shariah-compliant securities. For securities and instruments that are not classified as Shariah-compliant by the SACSC or the Shariah Advisory Council of Bank Negara Malaysia, the Shariah Adviser will determine whether the securities are Shariah-compliant for investment by the Fund in accordance to the following Shariah methodology and Shariah investment guidelines.

Shariah Investment Guidelines adopted by the Shariah Adviser

The following matters are adopted by the Shariah Adviser in determining the Shariah status of investments of the Fund.

1. Investment in Malaysia

Equity:

Reference for investment in local listed securities is based on the list of Shariah-compliant securities issued by the SACSC twice yearly on the last Friday of May and November which is readily available at the Securities Commission's website.

However, for the Shariah status of Initial Public Offering (IPO) companies that have yet to be determined by the SACSC, the Shariah Adviser adopted the following analysis in determining the Shariah status of these companies. The status determined by the Shariah Adviser is taken on a temporary basis until the Shariah status of the particular IPO company is determined in the subsequent release of the "List of Shariah-compliant Securities" issued by SACSC.

Quantitative Analysis

The Shariah Adviser adopts a two-tier quantitative approach which applies the business activity benchmark and the financial ratio benchmark in determining the Shariah status of the securities. Hence, the securities will be classified as Shariah-compliant if they are within the business activity benchmark and the financial ratio benchmark. If any of these benchmarks are exceeded, the Shariah Adviser will not accord a Shariah-compliant status for such equities.

Business activities benchmark

The contribution of Shariah non-compliant activities to the group revenue and group profit before taxation of the company will be computed and compared against the relevant business activities benchmark as follows:

- (a) The 5%[#] benchmark would be applicable to the following business activities:
 - (i) Conventional banking;
 - (ii) Conventional insurance;
 - (iii) Gambling;

Shariah non-compliant investments

The following rules on divestment of Shariah non-compliant investments apply:

- a) Reclassification of Shariah status of the Fund's investment

This refers to those securities which were earlier classified as Shariah-compliant securities but due to certain factors, such as changes in the companies' business operations and financial position, are subsequently reclassified as Shariah non-compliant. In this regard, if on the date the securities being reclassified as Shariah non-compliant, the respective market price of the securities held exceeds or is equal to the investment cost, the Fund must liquidate such Shariah non-compliant securities held by it. Any dividends received up to the date of the announcement/review and capital gains arising from the disposal of Shariah non-compliant securities on the date of the announcement/review can be kept by the Fund. However, any dividends received and excess capital gains derived from the disposal of such Shariah non-compliant securities after the said date at a market price that is higher than the closing price on the said date should be channelled to baitulmal and/or charitable bodies as advised by the Shariah Adviser.

On the other hand, the Fund is allowed to hold its investment in the Shariah non-compliant securities if the market price of the said securities is below the investment costs. It is also permissible for the Fund to keep the dividends received during the holding period until such time when the total amount of dividends received and the market value of the Shariah non-compliant securities held equal the investment cost. At this stage, the Fund must dispose of its holding.

INVESTORS ARE ADVISED TO READ AND UNDERSTAND THE CONTENTS OF THIS SUPPLEMENTARY PROSPECTUS DATED 25 MARCH 2019 WHICH IS TO BE READ TOGETHER WITH THE PROSPECTUS DATED 28 MAY 2017.

In addition, during the holding period, the Fund is allowed to subscribe for:

- (i) any issue of new securities by a company whose Shariah non-compliant securities are held by the Fund, for example rights issues, bonus issues, special issues and warrants that are capable of being converted into shares (excluding securities whose nature is Shariah non-compliant e.g. irredeemable convertible unsecured loan stock (ICULS)); and
- (ii) securities of other companies offered by the company whose Shariah non-compliant securities are held by the Fund,

on condition that they expedite the disposal of the Shariah non-compliant securities. For securities of other companies {as stated in (ii) above}, they must be Shariah-compliant securities.

b) Shariah non-compliant securities

If the Manager or the External Investment Manager mistakenly invests the Fund in Shariah non-compliant securities, the Manager or the External Investment Manager needs to dispose off these Shariah non-compliant securities within one (1) month upon becoming aware of the status of the securities. Any gain made in the form of capital gain or dividend received before or after the disposal of the securities has to be channelled to baitulmal and/or charitable bodies as advised by the Shariah Adviser. The Fund has a right to retain only the investment cost. However, if the investment sustained a loss, the Manager is to reimburse the Fund the investment cost.

Note: investment cost may include brokerage cost or other related transaction cost.

Dear Sirs

Re: Taxation of the Fund and Unit Holders

This letter has been prepared for inclusion in this Supplementary Prospectus to Prospectus dated 28 May 2017 relating to RHB Islamic Global Developed Markets Fund (“the Fund”):-

Taxation of the Fund

Income Tax

The Fund is a unit trust for Malaysian tax purposes. The taxation of the Fund is therefore governed principally by Sections 61 and 63B of the Income Tax Act, 1967 (“the Act”).

Any reference to interest in the Act shall apply, mutatis mutandis, to gains or profits received and expenses incurred, in lieu of interest, in transactions conducted in accordance with the principles of Shariah. The effect of this is that any gains or profits received and expenses incurred, in lieu of interest, in transactions conducted in accordance with the principles of Shariah, will be accorded the same tax treatment as if they were interest.

INVESTORS ARE ADVISED TO READ AND UNDERSTAND THE CONTENTS OF THIS SUPPLEMENTARY PROSPECTUS DATED 25 MARCH 2019 WHICH IS TO BE READ TOGETHER WITH THE PROSPECTUS DATED 28 MAY 2017.

Subject to certain exemptions, the income of the Fund in respect of investment income derived from or accruing in Malaysia are liable to income tax at the rate of 24% effective Year of Assessment (“YA”) 2016.

Gains from the realisation of investments by the Fund will not be subject to income tax in Malaysia. However, such gains may be subject to tax in the country from which it is derived.

Gains or profits earned by the Fund from the following are exempt from tax:-

- any savings certificates issued by the Government; or
- securities or bonds issued or guaranteed by the Government; or
- debentures or sukuk, other than convertible loan stock, approved or authorized by, or lodged with, the Securities Commission; or
- Bon Simpanan Malaysia issued by the Central Bank of Malaysia; or
- a bank or financial institution licensed under the Financial Services Act 2013 or Islamic Financial Services Act 2013^{N1}; or
- any development financial institution regulated under the Development Financial Institutions Act 2002^{N1}; or
- sukuk originating from Malaysia, other than convertible loan stocks, issued in any currency other than Ringgit and approved or authorized by, or lodged with, the Securities Commission, or approved by the Labuan Financial Services Authority^{N2}.

The Fund may receive dividends, interest and other income from investments outside Malaysia. Income derived from sources outside Malaysia and received in Malaysia by a resident unit trust is exempt from Malaysian income tax. However, such income may be subject to tax in the country from which it is derived.

Discounts earned by the Fund from the following are also exempt from tax:-

- securities or bonds issued or guaranteed by the Government; or
- debentures or sukuk, other than convertible loan stock, approved or authorized by, or lodged with, the Securities Commission; or
- Bon Simpanan Malaysia issued by the Central Bank of Malaysia.

Tax deductions in respect of the Fund’s expenses such as manager’s remuneration, expenses on maintenance of register of unit holders, share registration expenses, secretarial, audit and accounting fees, telephone charges, printing and stationery costs and postage (“permitted expenses”) are allowed based on a prescribed formula subject to a minimum of 10% and a maximum of 25% of the total permitted expenses.

^{N1} Effective from YA 2017, in the case of a wholesale fund which is a money market fund, the exemption shall only apply to a wholesale fund which complies with the criteria as set out in the relevant guidelines of the Securities Commission. The Finance Act 2018 has been gazetted on 27 December 2018 with the amendment that the current tax exemption on interest income derived from Malaysia and paid or credited by a licensed bank or financial institution to a wholesale money market fund is now entirely withdrawn. The above amendment is effective from 1 January 2019.

^{N2} Effective from YA 2017, income tax exemption shall not apply to interest paid or credited to a company in the same group, licensed banks and prescribed development financial institutions.

INVESTORS ARE ADVISED TO READ AND UNDERSTAND THE CONTENTS OF THIS SUPPLEMENTARY PROSPECTUS DATED 25 MARCH 2019 WHICH IS TO BE READ TOGETHER WITH THE PROSPECTUS DATED 28 MAY 2017.

Single tier Malaysian dividends received by the Fund are exempt from tax and expenses in relation to such dividend income are disregarded.

Real Property Gains Tax (“RPGT”)

Gains on disposal of investments by the Fund will not be subject to income tax in Malaysia. However, such gains may be subject to RPGT in Malaysia, if the gains are derived from sale of Malaysian real properties and shares in Malaysian real property companies (as defined). Such gains would be subject to RPGT at the applicable rate depending on the holding period of the chargeable assets.

Sales Tax and Service Tax

The Goods and Services Tax (“GST”) is replaced by Sales Tax and Service Tax effective from 1 September 2018.

Under the Sales Tax Act 2018, Service Tax Act 2018 and the subsidiary legislations, the sales tax rate for taxable goods is 5% or 10% while the service tax rate for taxable services is generally 6%. There are certain goods which are exempted from sales tax.

The issue, holding or redemption of any unit under a trust fund does not fall within the list of taxable services under the First Schedule of the Service Tax Regulations 2018 and hence, is not subject to service tax. The investment activities of the Fund such as buying and selling of securities and deposits in financial institutions are also not subject to service tax. As such, if the Fund is only deriving income from such activities, the Fund is not liable to be registered for service tax.

However, certain expenses incurred by the Fund such as legal fees, consultancy fees and management fees may be subject to service tax at 6%. For management fees, this specifically excludes fees charged by any person who is licensed or registered with the Securities Commission for carrying out the regulated activity of fund management under the Capital Markets and Services Act 2007. The service tax incurred by the Fund is a cost to the Fund and is not recoverable, unlike the GST input tax which is claimable under the GST regime.

Based on the Finance Act 2018 which has been gazetted on 27 December 2018 the imposition and scope of service tax is now widened to include any imported taxable services. This is effective from 1 January 2019.

Taxation of Unit Holders

Income Tax

Unit holders are taxed on an amount equivalent to their share of the total taxable income of the Fund, to the extent that this is distributed to them. The income distribution from the Fund may carry with it applicable tax credits proportionate to each unit holder’s share of the total taxable income in respect of the tax paid by the Fund. Unit holders will be entitled to utilise the tax credit as a set off against the tax payable by them. Any excess over their tax liability

INVESTORS ARE ADVISED TO READ AND UNDERSTAND THE CONTENTS OF THIS SUPPLEMENTARY PROSPECTUS DATED 25 MARCH 2019 WHICH IS TO BE READ TOGETHER WITH THE PROSPECTUS DATED 28 MAY 2017.

will be refunded to the unit holders. No other withholding tax will be imposed on the income distribution of the Fund.

Corporate unit holders, resident or non resident in Malaysia, would be taxed at the corporate tax rate of 24% (effective from YA 2016) on distributions of income from the Fund to the extent of an amount equivalent to their share of the total taxable income of the Fund. Corporate unit holders in Malaysia with paid-up capital in the form of ordinary shares of RM2.5 million and below will be subject to a tax rate of 18% (to be reduced to 17% effective from YA 2019) on chargeable income of up to RM500,000. For chargeable income in excess of RM500,000, the tax rate of 24% is still applicable.

However, the said tax rate of 18% (to be reduced to 17% effective from YA 2019) on chargeable income of up to RM500,000 would not apply if more than 50% of the paid up capital in respect of ordinary shares of that corporate unit holder is directly or indirectly owned by a related company which has a paid up capital exceeding RM2.5 million in respect of ordinary shares, or vice versa, or more than 50% of the paid up capital in respect of ordinary shares of both companies are directly or indirectly owned by another company.

Pursuant to Income Tax (Exemption) (No. 2) Order 2017 [P.U.(A) 117], a tax exemption equivalent to a reduction in the prevailing corporate tax rate from 1% to 4% will be effectively given for YA 2017 and YA 2018 based on percentage increase in the chargeable business income for the relevant YA as compared to the immediately preceding YA, subject to meeting the stipulated conditions.

Individuals and other non-corporate unit holders who are resident in Malaysia will be subject to income tax at scale rates. The scale tax rates range from 0% to 28% with effect from YA 2016.

Individuals and other non-corporate unit holders who are not resident in Malaysia, for tax purposes, will be subject to Malaysian income tax at the rate of 28% with effect from YA 2016. Non resident unit holders may also be subject to tax in their respective jurisdictions and depending on the provisions of the relevant tax legislation and any double tax treaties with Malaysia, the Malaysian tax suffered may be creditable in the foreign tax jurisdictions.

The distribution of single-tier Malaysian dividends and tax exempt income by the Fund will not be subject to tax in the hands of the unit holders in Malaysia. Distribution of foreign income will also be exempt in the hands of the unit holders.

Units split by the Fund will be exempt from tax in Malaysia in the hands of the unit holders.

Any gains realised by the unit holders (other than financial institutions, insurance companies and those dealing in securities) from the transfers or redemptions of the unit are generally treated as capital gains which are not subject to income tax in Malaysia. However, certain unit holders may be subject to income tax in Malaysia on such gains, due to specific circumstances of the unit holders.

INVESTORS ARE ADVISED TO READ AND UNDERSTAND THE CONTENTS OF THIS SUPPLEMENTARY PROSPECTUS DATED 25 MARCH 2019 WHICH IS TO BE READ TOGETHER WITH THE PROSPECTUS DATED 28 MAY 2017.

Sales Tax and Service Tax

GST is replaced by Sales Tax and Service Tax effective from 1 September 2018.

Only taxable services listed in the First Schedule of the Service Tax Regulations 2018 are subject to service tax, which exclude investment income or gains.

However, legal fees, consultancy fees and management fees may be subject to service tax at 6%. For management fees, this specifically excludes fees charged by any person who is licensed or registered with the Securities Commission for carrying out the regulated activity of fund management under the Capital Markets and Services Act 2007.

Based on the Finance Act 2018 which has been gazetted on 27 December 2018 the imposition and scope of service tax is now widened to include any imported taxable services. This is effective from 1 January 2019.

The tax position is based on our understanding and interpretation of the Malaysian tax legislations and proposals as they stand at present. All prospective investors should not treat the contents of this letter as advice relating to taxation matters and are advised to consult their own professional advisers concerning their respective investments.

Yours faithfully

Ong Guan Heng
Executive Director

DEFINITION AND INTERPRETATION

- **"Controlling Person"** are the natural person(s) who exercise control over an entity. Where that entity is treated as a Passive Non-Financial Entity ("Passive NFE") then a Financial Institution is required to determine whether or not these Controlling Persons are Reportable Persons. This definition corresponds to the term "beneficial owner" described in Recommendation 10 and the Interpretative Note on Recommendation 10 of the Financial Action Task Force Recommendations (as adopted in February 2012).

In the case of a trust, the Controlling Person(s) are the settlor(s), the trustee(s), the protector(s) (if any), the beneficiary(ies) or class(es) of beneficiaries, or any other natural person(s) exercising ultimate effective control over the trust (including through a chain of control or ownership). Under the CRS the settlor(s), the trustee(s), the protector(s) (if any), and the beneficiary(ies) or class(es) of beneficiaries, are always treated as Controlling Persons of a trust, regardless of whether or not any of them exercises control over the activities of the trust.

Where the settlor(s) of a trust is an Entity then the CRS requires Financial Institutions to also identify the Controlling Persons of the settlor(s) and when required report them as Controlling Persons of the trust.

In the case of a legal arrangement other than a trust, Controlling Person(s) means persons in equivalent or similar positions.
- **"Entity"** means a legal person or a legal arrangement, such as corporation, organisation, partnership, trust or foundation.
- **"Participating Jurisdiction"** means a jurisdiction with which an agreement is in place pursuant to which it will provide the information required on the automatic exchange of financial account information set out in the Common Reporting Standard.
- **"Reportable Jurisdiction"** is a jurisdiction with which an obligation to provide financial account information is in place.
- **"Tax Resident"** refers to the definition of tax residence by each participating jurisdiction as provided on <https://www.oecd.org/tax/automatic-exchange/crs-implementation-and-assistance/tax-residency/#id.en.347760>. In general, you will find that tax residence is the country/jurisdiction in which you live. Special circumstances may cause you to be resident elsewhere or resident in more than one country/jurisdiction at the same time (dual residency). For more information on tax residence, please consult your tax adviser or the information at the OECD automatic exchange of information portal mentioned above.
- **"TIN"** (including "functional equivalent") means Taxpayer Identification Number or a functional equivalent in the absence of a TIN. A TIN is a unique combination of letters or numbers assigned by a jurisdiction to an individual or an Entity and used to identify the individual or Entity for the purposes of administering the tax laws of such jurisdiction. Further details of acceptable TINs can be found at the following link <https://www.oecd.org/tax/automatic-exchange/crs-implementation-and-assistance/tax-identification-numbers>.

Some jurisdictions do not issue a TIN. However, these jurisdictions often utilize some other high integrity number with an equivalent level of identification (a "functional equivalent"). Examples of that type of number include, for Entities, a Business/company registration code/number.
- **"US Person"** refers to a US Person as defined in Section 7701 (a) (30) of the Internal Revenue Code and includes an individual who is a citizen or resident of the US.
- **"Hibah"** mean granting the possession of a person to another, in a voluntary manner without expecting a reciprocation.
- **"Wasi"** mean a nominee appointed to execute a will.
- **"Trustee"** refers to the Trustee of the Fund as stated in the Master Prospectus(es) / Prospectus(es) and its Supplementary(ies) (if any).

LOAN FINANCING RISK DISCLOSURE STATEMENT

Investing in a unit trust fund with borrowed money is more risky than investing with your own savings. You should assess if loan financing is suitable for you in light of your objectives, attitude to risk and financing circumstances. You should be aware of the risk, which would include the following:-

- The higher the margin of financing (that is, the amount of money you borrow for every Ringgit of your own money that you put in as deposit or down payment) the greater the loss or gain on your investment.
- You should assess whether you have the ability to service the repayments on the proposed loan. If your loan is a variable rate loan, and if interest rates rise, your total repayment amount will be increased.
- If unit prices fall beyond a certain level, you may be asked to provide additional acceptable collateral (where units are used as collateral) or pay additional amounts on top of your normal instalments. If you fail to comply within the prescribed time, your units may be sold towards the settlement of your loan.
- Returns on unit trusts are not guaranteed and may not be earned evenly over time. This means that there may be some years where returns are high and other years where losses are incurred instead. Whether you eventually realise a gain or incur loss may be affected by the timing of the sale of your units. The value of units may fall just when you want your money back even though the investment may have done well in the past.
- This brief statement cannot disclose all the risks and other aspects of loan financing. You should therefore carefully study the terms and conditions before you decide to take the loan. If you have doubts in respect of any aspect of this Risk Disclosure Statement or the terms of the loan financing, you should consult the institution offering the loan.

I / We acknowledge that I / We have read and understood the contents of the investment Loan Financing Risk Disclosure Statement. RHB Islamic Global Developed Markets Fund.

1.1.2 Fund Category

Equity fund (Shariah-compliant).

1.1.3 General Information of Classes Available for Investment in the Fund**General Information of Classes Available for Investment in the Fund**

Class	Currency Denomination	Launch Date	Financial Year End

- Unit Holders of each Class have the same rights and obligations under the Deed, unless otherwise stated in this prospectus.
- The assets of the Fund are pooled and invested as a single fund and are not segregated in respect of each Class.

1.2 Investment Objective, Strategy and Policies**1.2.1 Investment Objective**

This Fund aims to provide investors with long term* capital growth by investing in Shariah-compliant global equities.

*Note: “long term” in this context refers to a period of between 5 – 7 years.

Any material change to the investment objective of this Fund requires the Unit Holders’ approval.

1.2.2 External Investment Manager

The Manager has delegated the investment management function of the Fund’s investments in foreign markets to Nomura Islamic Asset Management Sdn Bhd who will manage the relevant portion of the assets of this Fund in accordance with the investment objective of the Fund and the Deed, subject to the Capital Markets and Services Act 2007, the Guidelines on Unit Trust Funds and any practice notes issued by the Securities Commission from time to time, as well as the internal policies and procedures of the Manager.

1.2.3 Investment Strategy

The Fund seeks to achieve its investment objective through a diversified portfolio of Shariah-compliant equities issued by companies listed on the stock exchanges of Developed Markets[^].

[^]Developed Markets are countries that are most developed in terms of its economy and capital markets. The countries must be high income, open to foreign ownership, and have relative ease of capital movement. Such countries, include, but are not limited to United States of America,

United Kingdom, Switzerland, France, Germany, Italy, Netherlands, Spain, Sweden, Japan and Australia.

The Fund's investments in such companies are not industry or sector specific. The External Investment Manager believes investments in "quality" companies will result in the Fund outperforming its benchmark over the long term. The "quality" screen filters companies that meet the 3 following criteria:

- 1) market capitalisation of USD 500 million or above;
- 2) attractive dividends (companies with dividend yield that are higher than the respective regional indices with a track record of growing dividends progressively); and
- 3) quality income growth (consistent long term capital and dividend growth).

For investments in Shariah-compliant equities listed in Japan stock exchanges, the External Investment Manager will focus its investments in companies with:

- 1) sustainable high return on equity above the market average in the past with the expectation to maintain such high return of equity in the future; and
- 2) return on equity below the market average but are expected to sustain high return on equity compared to market average in the future.

The risk management strategies and techniques employed by the External Investment Manager include observing internal limits of the Fund's investments in terms of its exposure to sectors, countries and stocks, apart from complying with the investment restrictions of the Fund. Additionally, the External Investment Manager reviews the Fund's asset allocation and currency exposure with its quantitative and fixed income departments to review such exposure to the Fund. The External Investment Manager further monitors the Fund's performance and risk against other global equity portfolios to ensure commonality in the active and total risk undertaken amongst portfolios with similar investment universe and objectives.

This Fund's portfolio will be structured as follows:

70% to 98% of Net Asset Value

- Investments in Shariah-compliant equities of companies listed on the stock exchanges of Developed Markets.

2% - 30% of Net Asset Value

- Investments in Shariah-compliant liquid assets including Islamic money market instruments and Placements of Cash.

Although the Fund is actively managed, how active or the frequency of its trading strategy will very much depend on market opportunities.

The External Investment Manager may take temporary defensive positions in attempting to respond to adverse economic, political or any other market conditions. In such circumstances, the External Investment Manager may reallocate up to 100% of the Fund's equity investments into other asset classes which are defensive in nature and comply with Shariah requirements, such as Islamic money market instruments and Placements of Cash.

The performance of this Fund is benchmarked against the Russell-IdealRatings Islamic Developed ex-Canada Custom Index. The benchmark chosen best represents the Fund's investments in terms of geographical location. Investors may refer to the Manager for this benchmark indicator.

1.2.4 Investment in Unlisted Shariah-compliant Securities

The External Investment Manager will only make such investments that are consistent with the objective and enhance the performance of this Fund. The Fund's investments in unlisted Shariah-compliant securities (if any) shall always be subject to the restriction stipulated in section 1.3 (a). However, the exposure to investments in unlisted Shariah-compliant securities shall not include:

- (a) Shariah-compliant equities not listed for trading in a stock market of a stock exchange but have been approved for such listing and offered directly to the Fund by the issuer; and
- (b) Sukuk traded on an organised over-the-counter market.

1.2.5 Islamic Collective Investment Schemes

The External Investment Manager will only make such investments that are consistent with the objective and enhance the performance of this Fund. In addition, the External Investment Manager will only make such investments if the target fund is registered/authorized/approved by the relevant regulatory authority in its home jurisdiction as the case may be and which operates within the general investment principles of the Guidelines on Unit Trust Funds issued by the Securities Commission. The Fund's Shariah-compliant investments in Islamic collective investment schemes (if any) shall always be made subject to the restrictions stipulated in section 1.3 (g) and (l).

1.2.6 Islamic Financial Derivatives

The External Investment Manager may participate in Islamic financial derivatives such as options, currency forwards and swaps or any other categories of financial derivatives which are structured in Shariah-compliant manner, permitted by the relevant authorities from time to time for hedging purposes, when appropriate. The Fund's participation in Islamic financial derivatives is to hedge the portfolio from any unexpected price movement in the underlying market and also the portfolio's exposure to foreign currency volatility. Hence, the benefit of any upside of price in the underlying market or currency movements is limited. The purpose is to protect the value of the portfolio. When participating in such instruments, the Manager will monitor the derivative valuation and credit ratings of the financial institutions as counterparty to the instruments, where applicable and take appropriate actions to mitigate any risk associated with such instruments. This may extend to unwinding of derivative instruments in the event where there is a need to terminate current position due to reversal in market movement, redemptions in Units or upon downgrade of the credit ratings of the financial institutions. The Fund's holding in Islamic financial derivatives (if any) shall always be subject to the restrictions stipulated in section 1.3 (f) and (h).

1.2.7 Foreign Shariah-compliant Securities

The External Investment Manager may invest up to 98% of Net Asset Value in Shariah-compliant equities of companies listed in countries which includes but not limited to, United States of America, United Kingdom, Switzerland, France, Germany, Italy, Netherlands, Spain, Sweden, Japan and Australia.

In undertaking the investments in foreign markets, the External Investment Manager may invest directly in equities listed on the stock exchanges of those countries and/or may invest through other Islamic collective investment schemes, where appropriate, subject to the restrictions stipulated in section 1.3.

1.2.8 Shariah-compliant Liquid Assets

The Manager in structuring the Fund's portfolio will maintain a minimum liquid assets level of 2% of Net Asset Value for the purpose of meeting redemptions and to enable the proper and efficient management of the Fund. However, this does not preclude the Manager from lowering or raising the liquid assets level from the stipulated level to allow the Manager to react to the prevailing market conditions and to manage investment risk when circumstances warrant it.

This Fund shall not source for financing in connection with its activities or provide financing on any of its cash or investments unless permitted by the Guidelines on Unit Trust Funds and any practice notes issued by the Securities Commission from time to time or other relevant laws or regulations pertaining to unit trust funds. However, the Fund may obtain Islamic financing facility on a temporary basis (i.e. not more than one month) from financial institutions to meet redemption requests. Such financing shall not exceed ten (10) per cent of Net Asset Value at the time the financing facility is incurred.

1.2.9 Distribution Policy

Distribution is of secondary importance and if any, will generally be declared annually and will be reinvested.

1.3 Permitted Investments and Restrictions

This Fund may invest or participate in Shariah-compliant securities listed on any market considered as an Eligible Market, unlisted Shariah-compliant securities, Islamic collective investment schemes, Islamic financial derivatives, Shariah-compliant liquid assets (including Islamic money market instruments and Placements of Cash) and any other Shariah-compliant investments permitted by the Shariah Adviser from time to time. Consequently, all investments for this Fund are to be designated as Shariah-compliant and in this regard, the Shariah Adviser will advise on the selection of investments to ensure compliance with Shariah requirements.

The acquisition of such permitted investments is subject to the following restrictions:

However, a 5% allowance in excess of the limits or restrictions is permitted where the limit or restriction is breached through an appreciation or depreciation of the Net Asset Value (whether as a result of an appreciation or depreciation of the investment or as a result of repurchase of units of the Fund or payment made from the Fund). The Manager and/or the External Investment Manager will not make any further acquisitions to which the relevant limit is breached, and the Manager and/or the External Investment Manager will within a reasonable period of not more than three (3) months from the date of the breach take all necessary steps and actions to rectify the breach.

1.4 Shariah Methodology and Shariah Investment Guidelines

In screening the investment activity of the Fund, the Shariah Adviser will ensure that at all times the investments of the Fund would be restricted to Shariah-compliant investments. In rolling out the securities screening activity, the Shariah Adviser will adopt a combination of screening methodologies issued by SACSC and Otoritas Jasa Keuangan/Financial Services Authority

(OJK). SACSC is our authority advising the Securities Commission on Shariah matters pertaining to the Islamic capital market of Malaysia. OJK is the regulatory authority for the Indonesia capital markets.

Notwithstanding anything stated herein and for avoidance of doubt, for investment in listed securities on Bursa Malaysia, the Fund will only invest in securities listed on the SACSC's list of Shariah-compliant securities. For securities or instruments that are not classified as Shariah-compliant by SACSC and Shariah Advisory Council of Bank Negara Malaysia, the Shariah Adviser will determine whether the securities are Shariah-compliant for investment by the Fund in accordance to the Shariah Adviser's screening methodologies.

The following is a non-exhaustive list of the combination of methodologies adopted by the Shariah Adviser and any changes thereafter by these bodies will be adopted by the Shariah Adviser.

- (ii) Total cash placed in interest-bearing deposits over total assets.
- (iii) The ratio of non-halal income is not more than 5% of the total revenue.

**These benchmarks may vary in accordance with the development of Islamic finance and the jurisdiction of respective screening authorities or the Islamic indices that are being referred to. Should any of the deductions fail to satisfy the benchmarks, the Shariah Adviser will not accord a Shariah-compliant status for the securities of such company.

3) Any further restriction as determined from time to time by the Shariah Adviser for investments in foreign markets.

Shariah non-compliant investments

(i) Reclassification of Shariah status of the Fund's investment

This refers to those investments which were earlier classified as Shariah-compliant investments but due to certain reasons, such as changes in the companies' operations, are subsequently considered Shariah non-compliant. In this regard, if on the date the investment turned Shariah non-compliant, the value of the investment held exceeds or equal to the original investment cost, the Fund must liquidate such Shariah non-compliant investment held by it. Any capital gains arising from the disposal of the Shariah non-compliant investment can be kept by the Fund. However, any excess capital gains derived from the disposal after the said date at a market price that is higher than the closing price on the said date should be channeled to baitulmal or charitable bodies as advised by the Shariah Adviser.

On the other hand, the Fund is allowed to hold its investment in the Shariah non-compliant investment if the market price of the said investment is below the original investment costs. It is also permissible for the Fund to keep the dividends received during the holding period until such time when the total amount of dividends received and the market value of the Shariah non-compliant investment held equal the original investment cost. At this stage, the Fund must dispose of its holding.

In addition, during the holding period, the Fund is allowed to subscribe for:

- (a) any issue of new securities by a company whose Shariah non-compliant investment are held by the Fund, for example rights issues, bonus issues, special issues and warrants (excluding securities whose nature is Shariah non-compliant e.g. irredeemable convertible unsecured loan stock (ICULS)); and
- (b) securities of other companies offered by the company whose Shariah non-compliant investments are held by the Fund,

on the condition that they expedite the disposal of the Shariah non-compliant investment. For securities of other companies {as stated in (b) above}, they must be Shariah-compliant investments.

(ii) Wrong investment

If the Manager or the External Investment Manager mistakenly invests in Shariah non-compliant investment, the Manager or the External Investment Manager needs to dispose off any Shariah non-compliant investment, within one (1) month upon becoming aware of the status of the investment. Any gain made in the form of capital gain or dividend received during or after the disposal of the investment has to be channeled to baitulmal or charitable bodies as advised by the Shariah Adviser. The Fund has a right to retain only the original investment cost. However, if the investment sustained a loss, the Manager is to reimburse the Fund the original investment cost.

Note: original investment cost may include brokerage cost or other related transaction cost.

2. RISK FACTORS

2.1 General Risks of Investing in the Fund

General Risks

a) Management risk

This refers to the expertise of a management company in the day-to-day management of the Fund. The selection of the Fund's investments is a subjective process and depends on the expertise of a fund manager in carrying out the fund management function. Lack of expertise of the fund manager may adversely affect the returns from the Fund's investments and consequently, the Unit Holder's investment.

b) Redemption risk

The ability of the Fund to honour requests for redemption in a timely manner is subject to the Fund's holding of adequate liquid assets and/or its ability to source financing on a temporary basis as permitted by the relevant laws. The Fund may seek an Islamic financing facility to meet the above requests. In the event there are insufficient liquid assets, the External Investment Manager may have to liquidate the Fund's investments at an unfavourable price.

c) Loan/ financing risk

Investors should assess the inherent risk of investing with borrowed money or financing facility which should include the following:

- i) the ability to service the loan repayments or financing instalment and the effect of increase in interest rates or profit rates on the loan repayments or financing instalments; and
- ii) (in a case where Units are used as collateral to the loan or financing facility) the ability to provide additional collateral should Unit prices fall beyond a certain level, failing which, the investors' Units may be sold off to realise the proceeds towards settlement of the outstanding loan or financing facility taken.

[Please see the Unit Trust Loan Financing Risk Disclosure Statement in the application form. Should Muslim investors wish to finance the acquisitions of Islamic unit trust funds, they are advised to obtain one that is Shariah-compliant in nature.]

d) Risk of non-compliance

The risk arises should the Manager not follow the provisions set out in the Deed or the law that governs the Fund or its own internal procedures whether due to the Manager's oversight, or if the Manager acts fraudulently or dishonestly. Such non-compliance may result in the Fund being mismanaged and may affect the Unit Holders' investments should the rectification of the non-compliance negatively affect the Unit Holder's investments in the Fund.

e) Returns are not guaranteed

There is no guarantee on the investment returns to Unit Holders.

Investments Risks

a) Market risk

Market risk is a risk that arises when the prices of investments in the marketplace are affected by circumstances such as political or economic events. These circumstances may be a local or global event that can affect global markets as well as the markets where the Fund is invested in and subsequently, the value of the Fund's investments.

b) Counterparty and issuer risk

The possibility that the issuer of an Islamic money market instrument or the financial institution where Placements of Cash are made will not be able to make timely payments of profit and/or principal repayment when it becomes due. This may lead to a default in the payment of principal and/or profit and ultimately a reduction in the value of the Fund.

c) Liquidity risk

Liquidity risk refers to the ease with which a Fund's investments can be sold at a favourable price. Should a Fund's investments become illiquid, the investments may be sold at an unfavourable price which may then lower the value of the Fund's investments and subsequently the value of Unit Holders' investments.

d) Derivative risk

As the Fund participates in Islamic financial derivative instruments for hedging purposes, it will be subject to risks associated with such investments. The structure of the Islamic financial derivative as well as the underlying financial instruments must comply with the Shariah requirements. Participating in Islamic financial derivative instruments may require the deposit of initial margin in a Shariah-compliant manner and additional deposit of margin on short notice if the market moves against the hedging positions. If no provision is made for the required margin within the prescribed time, the Fund's participation may be liquidated at a loss. Therefore, it is essential that such participation in Islamic financial derivative instruments is monitored closely. If and when the External Investment Manager participates in Islamic financial derivatives, the External Investment Manager will monitor the Islamic financial derivative positions for the Fund. In addition, participation in Islamic financial derivatives is also subject to the possibility that the counterparty to the Islamic financial derivative may fail or default in its obligations under the Islamic financial derivative contract. Such failure or default by the counterparty whether in the payment of principal and/or profit from the Islamic financial derivative transaction may ultimately lead to a reduction in the value of the Fund.

2.2 Specific Risks when Investing in this Fund

a) Equity risk

The fluctuation in the performance of Shariah-compliant equities held by the Fund will affect the Net Asset Value. The performance of the Shariah-compliant equities is dependent on company specific factors like the company's business situation. If the company-specific factors deteriorate, the price of the specific equity may drop significantly and permanently. Such event could possibly occur even in a positive equity market trend. The risk will be managed via portfolio diversification of the Fund's investments in terms of its exposure to equity from various industries, sectors and countries. In addition, where necessary, exposure to a particular Shariah-compliant

equity will also be reduced in the event of an anticipated weakness in the fundamentals of that particular Shariah-compliant equity or other factors like the company's business situation.

b) Currency risk

This risk is associated with investments that are quoted in foreign currency denomination. When a security is denominated in a foreign currency which fluctuates unfavourably against the RM, the Fund may face currency loss. This may lead to a lower Net Asset Value expressed in RM. In addition, an investor investing into a Class denominated in currencies other than in RM may also be subject to further currency risk as fluctuation to the exchange rate of the respective currency of that Class against RM may impact the value of the Net Asset Value per Unit expressed in the currency of the relevant Class. The Fund may participate in Shariah-compliant currency hedging instruments to mitigate the currency risk, if necessary.

c) Country risk

The Fund will be investing in foreign markets. The foreign investments portion of the Fund may be affected by risks specific to the country that the Fund invests in. Such risks include changes in the country's economic fundamentals, social and political stability, currency movements and foreign investments policies. These factors may impact the prices of the securities that the Fund invests in and ultimately lower the Net Asset Value.

d) Reclassification of Shariah status risk

This risk refers to the risk that the currently held Shariah-compliant equities in the Fund may be reclassified as Shariah non-compliant in the periodic review of the equities by the Shariah Adviser. If this occurs, the Manager will take the necessary steps to dispose of such equities in accordance with the Fund's Shariah investment guidelines.

e) Equity related securities risk

The Fund may also invest in equity related securities such as warrants provided that the underlying securities comply with Shariah requirements. As warrants are linked to the particular equity securities from which they are derived, the warrants inherit the risks linked to that underlying equity security such as market risk, currency risk, country risk, industry risk and liquidity risk. Thus, the value of the investments in warrants is also subject to the day to day movement in the prices of their underlying equity securities. Warrants also have a limited life and if they are not exercised at the maturity, they will expire. Warrants become worthless if they are not exercised before maturity, causing the value of the Fund's investments to fall. Like any other investments, the fall in the value of the Fund's investments will ultimately lower the Net Asset Value.

3. VALUATION OF ASSETS

The assets of the Fund must be valued at least once every Business Day. As certain foreign markets in which the Fund may invest in have different time zones from that of Malaysia, the valuation of the Fund for a Business Day will be conducted by 5:00 p.m. (or such other time as may be determined by the Manager from time to time) on the next day in which the Manager is open for business.

Accordingly, the price of the Fund for a particular Business Day will not be published in the major newspapers on the next day but will instead be published on the next following day (i.e. price will be two (2) days old). This will be specifically indicated in the major newspapers.

Illustration

When markets close for trading on 21 February 2017 (Tuesday), the valuation date will be the next day in which the Manager is open for business, i.e. 22 February 2017 (Wednesday). Thus, the major newspaper publication date for the price as at 21 February 2017 (Tuesday) will be on 23 February 2017 (Thursday).

Investors may obtain the most current computed price by contacting the Manager directly at 03-9205 8000 [please refer to section 5.6 (g) (Availability of Information on Investment)].

In undertaking any of the Fund's investments, the Manager will ensure that all the assets of the Fund will be valued appropriately, that is, at market value, failing which, such assets will be valued at fair value and at all times in compliance with the relevant laws (including approved accounting standards).

Accordingly:

- (i) Listed Shariah-compliant securities will be valued daily based on the last done market price or such other basis as may be prescribed by the relevant laws from time to time including approved accounting standards.

However, if:-

- (a) a valuation based on the market price does not represent the fair value of the Shariah-compliant securities, for example during abnormal market conditions; or
- (b) no market price is available, including in the event of a suspension in the quotation of Shariah-compliant securities for a period exceeding 14 days, or such shorter period as agreed by the Trustee,

then the Shariah-compliant securities would be valued at fair value, as determined in good faith by the Manager based on the methods or bases approved by the Trustee after appropriate technical consultation.

- (ii) Investments in unlisted Shariah-compliant securities will be valued at the cost price of each investment until the securities of the investee companies are successfully listed on a recognised stock exchange, upon which quoted prices will be available and valuation will be based on the last done market price or such other basis as may be prescribed by the relevant laws from time to time including approved accounting standards.
- (iii) Islamic collective investment schemes which are quoted on an approved exchange shall be valued in the same manner as listed securities as described above. When investing in unlisted Islamic collective investment schemes, the value shall be determined by reference to that manager's last published repurchase price per unit for that unlisted Islamic collective investment scheme.
- (iv) Exchange traded Islamic financial derivative positions will be marked-to-market at the close of each trading day.
- (v) Islamic deposits will be valued each day by reference to the principal value of such investments and the profits accrued thereon for the relevant period.
- (vi) Islamic money market instruments will be valued each day based on the accretion of discount or amortisation of premium on a yield to maturity basis.

- (vii) Foreign exchange translation of foreign investments for a particular Business Day is determined based on bid rate quoted by Bloomberg or Reuters at 4:00 p.m. (United Kingdom time) or such other time as may be prescribed from time to time by the relevant laws.

4. FEES, CHARGES AND EXPENSES

The cost to the investor of investing in the Fund is as follows:

4.1 Charges

The charges directly incurred by an investor when purchasing or redeeming Units are as follows:

(a) Sales Charge

The Manager will impose a sales charge which can be levied on an investor's investment amount / purchase amount, net of bank charges (if any) by the Manager's various distributors as follows:

Distributor	% of investment amount
Institutional unit trust adviser (IUTA)	Up to 5.50%.
Direct sales (Direct investment with the Manager)	Up to 5.50%.

An investor can expect differing sales charge to be levied when buying Units from the various distribution channels and within each distribution channel, subject to the maximum sales charge stipulated above. This is due to the different levels of services provided by each distribution channel and/or the size of the investment undertaken.

Illustration

If an investor purchased 10,000.00 Units at the Selling Price RM 1.0000 for RM Class, USD 1.0000 for USD Class and SGD 1.0000 for SGD Class from a distributor which levies a sales charge of 5.50%, the investor would have paid a sum of RM10,583.00 for the RM Class, USD10,583.00 for the USD Class and SGD10,583.00 for the SGD Class which is made up of:-

	RM Class	USD Class	SGD Class
Investment amount	RM10,000.00	USD10,000.00	SGD10,000.00
Add:			
Sales charge @ 5.50%	RM550.00	USD550.00	SGD550.00
GST ¹ at 6% of the sales charge	RM33.00	USD33.00	SGD33.00
Total amount paid by the investor	RM10,583.00	USD10,583.00	SGD10,583.00
The investor will be allotted with Units calculated as follows:	$\frac{\text{RM10,000.00}^{**}}{\text{RM1.0000}^*}$	$\frac{\text{USD10,000.00}^{**}}{\text{USD1.0000}^*}$	$\frac{\text{SGD10,000.00}^{**}}{\text{SGD1.0000}^*}$
	= 10,000.00 Units	= 10,000.00 Units	= 10,000.00 Units

Note:

¹The implementation of GST is effective from 1 April 2015 at the rate of 6% and the fees and charges payable is exclusive of GST.

*Unit price is rounded to the nearest 4 decimal places.

**Units computed are rounded to the nearest 2 decimal places.

From the sales charge received from investors, the Manager pays no more than the entire sales charge as mentioned above as selling commission to its distributors for the Fund.

-(b) Repurchase Charge

The Manager will not impose any repurchase charge on investors redeeming their investments.

(c) Other Charges

(i) Switching of Units

This is not applicable as there is no switching facility available for the Fund.

(ii) Transfer of Units

RM Class	RM5.00 per transfer ¹ .
USD Class	USD5.00 per transfer ¹ .
SGD Class	SGD5.00 per transfer ¹ .

Please refer to section 5.6 (e) for transaction details on any transfer of Units.

¹The implementation of GST is effective from 1 April 2015 at the rate of 6% and the fees and charges payable is exclusive of GST.

4.2 Fees and Expenses

The fees and expenses indirectly incurred by an investor when investing in the Fund are as follows:

(a) Management Fee

The Manager is entitled to a management fee¹ of one point eight per cent (1.80%) per annum of the Net Asset Value calculated on a daily basis before deducting the Manager's and Trustee's fees for that particular day.

¹The implementation of GST is effective from 1 April 2015 at the rate of 6% and the fees and charges payable is exclusive of GST.

(b) Trustee's Fee

The Trustee is entitled to a trustee fee¹ of up to zero point zero eight per cent (0.08%) per annum of the Net Asset Value calculated on a daily basis before deducting the Manager's and Trustee's fees for that particular day (excluding foreign custodian fees and charges).

¹The implementation of GST is effective from 1 April 2015 at the rate of 6% and the fees and charges payable is exclusive of GST.

(c) Other Expenses Directly Related to the Fund

In administering the Fund, there are expenses directly related to the Fund. These expenses include the cost of the auditors' fees and other relevant professional fees, foreign custodial charges, cost of distribution of interim and annual reports, tax certificates, reinvestment statements and other notices to Unit Holders. In addition, there are expenses that are directly related and necessary to the business of the Fund as set out in its Deed, such as commissions paid to brokers, other transaction costs and taxes, if any, that are also paid out of the Fund.

All formation and issue expenses of the Fund pursuant to this prospectus will be borne by the Manager.

4.3 Reduction or Waiver of Fees and Charges

The Manager may, for any reason at any time, waive or reduce the amount of its management fee only or other charges directly payable by the Unit Holder or investor in respect of the Fund, either generally (for all Unit Holders or investors) or specifically (for any particular Unit Holder or investor) and for any period or periods of time at its absolute discretion.

4.4 Policy on Rebates and Soft Commissions

It is the Manager's policy to credit all rebates to the account of the Fund.

However, goods and services ("soft commissions") provided by any broker or dealer may be retained by the Manager or the fund manager only if the goods and services are of demonstrable benefit to the Unit Holders and in the form of research and advisory services that assist in the decision making process relating to the Fund's investments, such as research materials and computer software, which are incidental to the investment management activities of the Fund and any dealing with the broker or dealer is executed on terms which are the most favourable to the Fund.

4.5 Goods and Services Tax

All fees and charges payable to the Manager and the Trustee are subject to any applicable taxes and/or duties (including but not limited to GST) as may be imposed by the government from time to time.

There are fees and charges involved and investors are advised to consider them before investing in the Fund.

5. TRANSACTION INFORMATION

5.1 Pricing Policy

The Manager adopts a single pricing policy, i.e. the Selling Price and the Repurchase Price is the Net Asset Value per Unit.

5.2 Valuation of Units

The valuation of Units is based on the Net Asset Value of the respective Class and is calculated at the end of Business Day. In line with the single pricing policy, the Selling Price and the Repurchase Price will be the Net Asset Value per Unit of the respective Class.

Calculation of Net Asset Value per Unit

The valuation of the Fund is conducted at least once every Business Day. Net Asset Value is determined by deducting the value of all the Fund's liabilities from the value of all the Fund's assets, at the valuation point.

The valuation of the Fund is in the Base Currency i.e. RM. To determine the Net Asset Value of each Class, all the assets and liabilities of each Class will be converted to RM. The Net Asset Value per Unit of each Class will be the Net Asset Value attributable to a Class divided by the total number of Units in circulation for that Class, at that valuation point.

5.3 Computation of Purchase of Units

The Selling Price shall be the Net Asset Value per Unit of the respective Class as at the next valuation point of the Fund's relevant Business Day after the request for Units is received by the Manager ("forward pricing"). A sales charge will be computed separately based on the investment amount/purchase amount, net of bank charges (if any).

Illustration

If an investor purchased Units at the Selling Price of RM0.9899 for the RM Class, USD1.8610 for the USD Class and SGD1.5260 for the SGD Class (which is the Net Asset Value per Unit of the respective Class as at the next valuation point); and a distributor levies a sales charge of 5.50%, the investor would have paid a sum of RM10,583.00 for the RM Class, USD10,583.00 for the USD Class and SGD10,583.00 for the SGD Class and allotted Units as follows:-

	RM Class	USD Class	SGD Class

Add: Sales charge @ 5.50% GST ¹ at 6% of the sales charge	RM550.00 RM33.00	USD550.00 USD33.00	SGD550.00 SGD33.00

The investor will be allotted with Units calculated as follows:	$\frac{\text{RM10,000.00}^{**}}{\text{RM0.9899}^*}$ = 10,102.03 Units	$\frac{\text{USD10,000.00}^{**}}{\text{USD1.8610}^*}$ = 5,373.46 Units	$\frac{\text{SGD10,000.00}^{**}}{\text{SGD1.5260}^*}$ = 6,553.08 Units

Note:

¹The implementation of GST is effective from 1 April 2015 at the rate of 6% and the fees and charges payable is exclusive of GST.

*Unit price is rounded to the nearest 4 decimal places.

**Units computed are rounded to the nearest 2 decimal places.

5.4 Computation of Redemption of Units

The Repurchase Price shall be the Net Asset Value per Unit of the respective Class as at the next valuation point of the Fund's relevant Business Day after the request for Units is received by the Manager ("forward pricing"). The Manager does not charge any repurchase charge for this Fund.

Illustration

If an investor makes a redemption of RM10,000.00, USD10,000.00 and SGD10,000.00 at the Repurchase Price of RM0.9899 for the RM Class, USD1.8610 for the USD Class and SGD1.5260 for the SGD Class (which is the Net Asset Value per Unit of the respective Class as at the next valuation point), the investor would redeem number of units and receive proceeds of redemption as follows:

	RM Class	USD Class	SGD Class
Redemption amount	RM10,000.00	USD10,000.00	SGD10,000.00
Less: repurchase charge	Nil	Nil	Nil

Number of units redeemed	10,102.03 Units	5,373.46 Units	6,553.08 Units

5.5 Pricing Error Policy

The Manager shall ensure that the Fund and the Units are correctly valued and priced according to the Deed and all relevant laws. Where there is an error in the valuation of the Fund, any incorrect pricing of Units which is deemed to be significant will involve the reimbursement of money in the following manner:

- (a) by the Manager to the Fund, and/or to the Unit Holders and/or to the former Unit Holders; or
- (b) by the Fund to the Manager.

However, reimbursement of money shall only apply if the error is at or above the significant threshold of 0.5% of the Net Asset Value per Unit and the amount to be reimbursed is RM10.00 (or its equivalent in foreign currencies) or more.

5.6 Transaction Details

(a) How to Purchase and Redeem Units

When purchasing Units, investors must forward the following:

- 1) completed account application form and purchase/switch form;
- 2) necessary remittance; and
- 3) relevant supporting documents such as a photocopy of their identity card (for an individual applicant) or certified true copies of the certificate of incorporation or registration, memorandum and articles of association or constitution or by-laws, and relevant resolutions (for a corporate applicant)

to the Manager's registered/principal office or any of its branch offices, or to any of its participating institutional unit trust advisers (IUTAs) or to any other authorized distributors before their respective cut-off times.

The minimum initial investment and the minimum additional investment of this Fund for the respective Classes are as follows:

	RM Class	USD Class	SGD Class
Minimum initial investment	RM1,000.00	USD1,000.00	SGD1,000.00
Minimum additional investment	RM100.00	USD100.00	SGD100.00

However, the Manager may from time to time accept such other amount as it deems fit and appropriate.

Similarly, Units can be redeemed by forwarding the completed form of request to repurchase to the Manager's registered/principal office or any of its branch offices, or to any of its participating IUTAs or to any other authorized distributors on any day other than Saturdays, Sundays and public holidays before their respective cut-off times. All redemption requests will be processed in accordance with the redemption conditions for the Fund. Redemption monies will be paid within ten (10) days after receipt by the Manager of the request to repurchase.

For partial redemption, the balance of Units after the redemption must be at least one hundred (100) Units or such other lower quantity as the Manager may from time to time accept (the "minimum investment balance"). There are no restrictions on the number of units a Unit Holder can redeem out of the Unit Holder's investments or the frequency of redemptions in a year. However, the Manager shall not be bound to comply with any request for redemption of Units if the balance of Units held after the redemption is less than the minimum investment balance.

(b) Cooling-off Period

The cooling-off right refers to the right of an individual investor to obtain a refund of the investor's investment if the investor so requests within the cooling-off period. The cooling-off right is only given to an individual investor, other than those listed below, who is investing in any unit trust fund managed by the Manager for the first time:

- (i) a staff of the Manager; or
- (ii) persons registered with a body approved by the SC to deal in unit trust funds.

The refund to the investor pursuant to the exercise of the investor's cooling-off right shall not be less than the sum of:

- a) the Selling Price on the day the Units were purchased; and
- b) the sales charge originally imposed on the day the Units were purchased.

The cooling-off period shall be within six (6) business days[#] which shall be effective from the date of receipt of the application by the Manager.

[#]These are the working days when the Manager is open for business.

The cooling-off right allows investors the opportunity to reverse an investment decision which could have been unduly influenced by certain external elements or factors.

Withdrawal proceeds will only be paid to the investors once the Manager has received cleared funds for the original investment. For investors who paid by cheque, the refund will be made upon clearance of the cheque.

(c) Where Units can be Purchased or Redeemed

Units can be purchased or redeemed at the Manager's registered/principal office or any of its branch offices or from any of its participating IUTAs or any other authorized distributors. Dear Sirs

Re: Taxation of the Fund and Unit Holders

This letter has been prepared for inclusion in the prospectus dated 28 May 2017 in connection with the offer of units in the RHB Islamic Global Developed Markets Fund ("the Fund"):-

Taxation of the Fund

Income Tax

The Fund is treated as a unit trust for Malaysian tax purposes. The taxation of the Fund is therefore governed principally by Sections 61 and 63B of the Malaysian Income Tax Act, 1967 ("the Act").

Any reference to interest in the Act shall apply, mutatis mutandis, to gains or profits received and expenses incurred, in lieu of interest, in transactions conducted in accordance with the principles of Shariah. The effect of this is that any gains or profits received and expenses incurred, in lieu of interest, in transactions conducted in accordance with the principles of Shariah, will be accorded the same tax treatment as if they were interest.

Subject to certain exemptions, the income of the Fund in respect of investment income derived from or accruing in Malaysia after deducting tax allowable expenses, is liable to Malaysian income tax at the rate of 24% with effect from Year of Assessment ("YA") 2016. It is proposed in the 2017 Budget that the reduction in income tax rate ranging from 1% to 4% be given for YA 2017 and YA 2018 based on the percentage of increase in the chargeable income as compared to the immediate preceding YA.

Investment income derived from sources outside Malaysia and received in Malaysia by a resident unit trust is exempt from Malaysian income tax. However, such income may be subject to tax in the country from which it is derived.

Gains from the realisation of investments (whether local or foreign) by the Fund will not be subject to tax in Malaysia.

RHB ISLAMIC GLOBAL DEVELOPED MARKETS FUND

Any income received by the Fund from a Sukuk Issue which has been issued by the Malaysia Global Sukuk Inc will be exempt from tax.

Any income received by the Fund from a Sukuk Ijarah, other than convertible loan stock, issued in any currency by 1Malaysia Sukuk Global Berhad will be exempt from tax.

Discounts earned by the Fund from the following are also exempt from tax:-

- securities or bonds issued or guaranteed by the Government of Malaysia; or
- debentures or sukuks, other than convertible loan stock, approved or authorized by, or lodged with, the Securities Commission; or
- Bon Simpanan Malaysia issued by the Central Bank of Malaysia.

Deductions in respect of the Fund's expenses such as manager's remuneration, maintenance of a register of unit holders, share registration expenses, secretarial, audit and accounting fees, telephone charges, printing and stationery costs and postage are generally allowed based on a prescribed formula subject to a minimum of 10 percent and a maximum of 25 percent of the total of these expenses.

Single-tier Malaysian dividends received by the Fund are exempted from tax and expenses incurred by the Fund in relation to dividend income (which is paid or credited under the single-tier system) are disregarded.

Gains or profits earned by the Fund from the following are exempt from tax:-

- any savings certificates issued by the Government of Malaysia; or
- securities or bonds issued or guaranteed by the Government of Malaysia; or
- debentures or sukuks, other than convertible loan stock, approved or authorised by, or lodged with, the Securities Commission; or
- Bon Simpanan Malaysia issued by the Central Bank of Malaysia; or
- a bank or financial institution licensed under the Financial Services Act 2013 or Islamic Financial Services Act 2013¹; or
- any development financial institution regulated under the Development Financial Institutions Act 2002¹; or
- Sukuks originating from Malaysia, other than convertible loan stock, issued in any currency other than Ringgit and approved or authorised by, or lodged with, the Securities Commission ("SC") or approved by the Labuan Financial Services Authority²; or

Note 1: Effective from YA 2017, in the case of a wholesale fund which is a money market fund, the exemption shall only apply to a wholesale fund which complies with criteria as set out in the relevant guidelines of the Securities Commission.

Note 2: With effect from YA 2017, the income tax exemption shall not apply to interest paid or credited to a company in the same group, licensed banks and prescribed development financial institutions.

- A Sukuk Wakala, other than a convertible loan stock, issued in any currency by Wakala Global Sukuk Berhad; or
- A Sukuk Wakala issued in accordance with the principle of Wakala Bil Istithmar with the nominal value of up to one billion and five hundred million United States Dollars, other than a convertible loan stock, issued by the Malaysia Sovereign Sukuk Berhad.
- A Sukuk Wakala issued in accordance with the principle of Wakala with the nominal value up to one billion and five hundred million United States Dollars, other than convertible loan stock, issued by the Malaysia Sukuk Global Berhad (formerly known as 1Malaysia Sukuk Global Berhad).

Real Property Gains Tax (“RPGT”)

Gains on disposal of investments by the Fund will generally not be subject to income tax in Malaysia. However, such gains may be subject to RPGT in Malaysia, if the gains are derived from the sale of Malaysian real properties or shares in Malaysian real property companies (as defined). The gains on the disposal of the chargeable assets would be subject to RPGT at the applicable rate depending on the holding period of the chargeable assets.

Goods and Services Tax (“GST”)

GST has been implemented in Malaysia with effect from 1 April 2015, at a standard rate of 6%. It replaced the Sales Tax and Service Tax.

The issue, holding or redemption of any unit under a trust fund is regarded as an exempt supply. The investment activities of the Fund such as buying and selling of securities are exempt supplies and thus not subject to GST. Thus, if the Fund is only making exempt supplies, it is not required to be registered for GST.

However, certain expenses incurred by the Fund such as fund manager’s fees, trustee fees and professional fees will be subject to GST if the service providers are GST registered. If the Fund is only making exempt supplies (and thus not GST registered), any input tax incurred by the Fund for the aforementioned expenses are not claimable.

Taxation of Unit Holders

Unit holders are taxed on an amount equivalent to their share of the total taxable income of the Fund, to the extent that this is distributed to them. The income distribution from the Fund may carry with it applicable tax credits proportionate to each unit holder’s share of the total taxable income in respect of the tax paid by the Fund. Unit holders will be entitled to utilise the tax credit as a set-off against the tax payable by them. Any excess over their tax liability will be refunded to the unit holders. No other withholding taxes will be imposed on the income distribution of the Fund.

With effect from YA 2016, corporate unit holders (resident or non resident in Malaysia), will be taxed at the corporate tax rate of 24%, on distributions of income from the Fund to the extent of an amount equivalent to their share of the total taxable income of the Fund. Resident corporate unit holders whose paid-up capital in the form of ordinary shares does not exceed RM2.5 million will be subject to a tax rate of 19% (effective from YA 2016) on chargeable income of up to RM500,000. The tax rate of 19% will be reduced to 18% with effect from YA 2017.

For chargeable income in excess of RM500,000, the tax rate of 24% (effective from YA 2016) is still applicable. However, the said tax rate of 19% on chargeable income of up to RM500,000 will not apply if more than 50% of the paid up capital in respect of ordinary shares of that company is directly

or indirectly owned by a related company which has a paid up capital exceeding RM2.5 million in respect of ordinary shares, or vice versa, or more than 50% of the paid up capital in respect of ordinary shares of both companies are directly or indirectly owned by another company. In the Budget 2017, it is proposed that the tax rate of 24% will be reduced from 1% to 4% for YA 2017 and YA 2018 based on the percentage of increase in the chargeable income as compared to the immediate preceding YA.

Individuals and other non-corporate unit holders who are resident in Malaysia are generally subject to income tax at scaled rates. The scaled tax rates range from 0% to 28% with effect from YA 2016.

Individuals and other non-corporate unit holders who are not resident in Malaysia, for tax purposes, will be subject to Malaysian income tax at the rate of 28% with effect from YA 2016. Non resident unit holders may also be subject to tax in their respective jurisdictions and depending on the provisions of the relevant tax legislation and any double tax treaties with Malaysia, the Malaysian tax suffered may be creditable in the foreign tax jurisdictions.

The distribution of single-tier dividends and other tax exempt income by the Fund will be exempted from tax in the hands of the unit holders in Malaysia. Distribution of foreign income will also be exempted from tax in the hands of the unit holders.

Units split by the Fund will be exempted from tax in Malaysia in the hands of the unit holders.

Any gains realised by the unit holders (other than financial institutions, insurance companies and those dealing in securities) from the transfers or redemptions of the units are generally treated as capital gains which are not subject to income tax in Malaysia. However, certain unit holders may be subject to income tax in Malaysia on such gains, due to specific circumstances of the unit holders.

The following gains or income received by the unit holders are not subject to GST:-

- the distribution of income from the Fund to the unit holders which may comprise of dividends, interest income and gain from realisation of investments;
- distribution of foreign income from the Fund;
- unit split by the Fund and reinvestment of distribution; and
- gain made from selling or redemption of units.

However, the following expenses incurred by the unit holders should be subject to GST if the supplier is GST registered:-

- any fee based charges in relation to buying of the units such as sales charge; and
- switching and transfer charges for switching or transferring the units.

The tax position is based on our understanding and interpretation of the Malaysian tax laws and proposals as they stand at present. All prospective investors should not treat the contents of this letter as advice relating to taxation matters and are advised to consult their own professional advisers concerning their respective investments.

Yours faithfully

Ong Guan Heng
Executive Director

**UNIT TRUST LOAN FINANCING
RISK DISCLOSURE STATEMENT**

Investing in a Unit Trust Fund with Borrowed Money / Financing Is More Risky than
Investing with Your Own Savings

You should assess if loan financing is suitable for you in light of your objectives, attitude to risk and financial circumstances. You should be aware of the risks, which would include the following:

- (i) The higher the margin of financing (that is, the amount of money you borrow for every ringgit of your own money which you put in as deposit or down payment), the greater the potential for loss or gain on your investment.
- (ii) You should assess whether you have the ability to service the repayments on the proposed loan/financing. If your loan/financing is a variable rate loan/financing, and if interest rates/profit rise, your total repayment amount will be increased.
- (iii) If unit prices fall beyond a certain level, you may be asked to provide additional acceptable collateral (where units are used as collateral) or pay additional amounts on top of your normal instalments. If you fail to comply within the time prescribed, your units may be sold towards the settlement of your loan/financing.
- (iv) Returns on unit trusts are not guaranteed and may not be earned evenly over time. This means that there may be some years where returns are high and other years where losses are experienced. Whether you eventually realise a gain or loss may be affected by the timing of the sale of your units. The value of units may fall just when you want your money back even though the investment may have done well in the past.

This brief statement cannot disclose all the risks and other aspects of loan financing. You should therefore carefully study the terms and conditions before you decide to take the loan/financing. If you are in doubt about any aspect of this risk disclosure statement or the terms of the loan financing, you should consult the institution offering the loan/financing.

ACKNOWLEDGEMENT OF RECEIPT OF RISK DISCLOSURE STATEMENT
