\* Mainland Companies - Hang Seng Mainland 100 Index is a market capitalization weight index that comprise both H-share companies and red-chip stocks listed in main board of SEHK and including in HSCI index. The index is the benchmark of all China Mainland stock performance in Hong Kong.

^ For Japan and India, their financial reporting year ends during the month of March.

^^ For Australia, their financial reporting year ends during the month of June.

# Russia benchmark index - RTSI\$ is denominated in USD. However, 5 years bond yields are based on RUB denominated sovereign bonds as there are no USD denominated bonds. We acknowledge and accept the difference based on the assumption that while USD denominated share prices are not trading at a premium or discount to RUB denominated share prices (for the same company stock), there should be no significant difference in tracking Russia equity index in either RUB or USD.
